that the maximum Base Rental (as defined in the Lease Agreement) to be paid under the
Lease Agreement in any fiscal year shall not exceed Twenty Seven Million Dollars
($27,000,000) and the initial stated term of the Lease Agreement shall not extend beyond the
35th year following its date of execution, as such initial term may be extended in accordance
with the Lease Agreement.

Section 7. Approval of the Leased Property and the Base Rental Payments. The
Board hereby approves the leasing, pursuant to the terms of the Property Lease and the
Lease Agreement, of all or a portion of the Leased Property. The Board also hereby approves
the payment by the City of the Base Rental with respect thereto.

Section 8. Official Statement. The form of proposed Preliminary Official Statement
describing the Certificates (the "Preliminary Official Statement") submitted to the Board of
Supervisors is approved and adopted as the Preliminary Official Statement describing the
Certificates, with such additions, corrections and revisions as may be determined to be
necessary or desirable made in accordance herewith. The Controller is authorized to cause
the distribution of a Preliminary Official Statement deemed final for purposes of Securities and
Exchange Commission Rule 15c2-12 promulgated under the Securities Exchange Act of
1934, as amended (the "Rule"), and to sign a certificate to that effect. The Director of Public Finance is authorized and directed to cause to be printed and mailed or electronically distributed to prospective bidders or purchasers for the Certificates the Preliminary Official Statement in substantially the form of the Preliminary Official Statement approved and adopted by this Ordinance, as completed, supplemented, corrected or revised. The Controller is authorized and directed to approve, execute, and deliver the final Official Statement with respect to the Certificates, which final Official Statement shall be in the form of the Preliminary Official Statement, with such additions, corrections and revisions as may be determined to be necessary or desirable made in accordance herewith and as are permitted under the Rule. The Director of Public Finance is authorized and directed to cause to be printed and mailed or electronically distributed the final Official Statement to all actual initial purchasers of the Certificates.

Section 9. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate (the "Continuing Disclosure Certificate"), to be signed by the Controller to permit the original purchasers of the Certificates to comply with the Rule, submitted to the Board is approved and adopted as the Continuing Disclosure Certificate, with such additions, corrections and revisions as may be determined to be necessary or desirable made in accordance herewith. The Controller is authorized and directed to execute the Continuing Disclosure Certificate on behalf of the City and deliver the Continuing Disclosure Certificate to the original purchasers of the Certificates.

Section 10. Sale of the Certificates. The Controller or the Director of Public Finance is hereby authorized to cause the sale of the Certificates by competitive or negotiated sale. If sold by competitive sale, the Controller or the Director of Public Finance is hereby authorized and directed to award the Certificates to the bidder whose bid represents the lowest true
interest cost to the City (as confirmed by the City's financial advisor) and whose bid otherwise conforms to the bid requirements contained in the Official Notice of Sale.

The form of proposed Notice of Intention to Sell the Certificates (the "Notice of Intention to Sell Certificates") submitted to the Board is approved and adopted as the Notice of Intention to Sell the Certificates, and the Controller or the Director of Public Finance is authorized and directed to cause the Notice of Intention to Sell Certificates, subject to such corrections, revisions or additions as may be made in accordance herewith, to be published once in The Bond Buyer or another financial publication generally circulated throughout the State of California.

If the Controller or the Director of Public Finance determines to sell the Certificates by negotiated sale, the Controller or the Director of Public Finance is hereby authorized to sell the Certificates by negotiated sale pursuant to one or more purchase contracts (each, a "Purchase Contract") by and between the City and the underwriters named therein; provided, however, that the underwriters' discount under any such Purchase Contract shall not exceed one percent (1.0%) of the principal amount of the Certificates.

To accomplish the sale of the Certificates by negotiated sale, if applicable, the Controller or the Director of Public Finance is hereby authorized to appoint one or more financial institutions to act as underwriter for the Certificates in accordance with City policies and procedures, including but not limited to the City's policy to provide locally disadvantaged business enterprises an equal opportunity to participate in the performance of all City contracts.

Section 11. Reimbursement. The City declares its official intent to reimburse prior expenditures of the City incurred prior to the execution and delivery of the Certificates in connection with the Rehabilitation Detention Facility Project or portions thereof with the proceeds of the Certificates. The Board of Supervisors declares the City's intent to reimburse
the City with the proceeds of the Certificates for the expenditures with respect to the
Rehabilitation Detention Facility Project (the “Expenditures” and each an “Expenditure”) made
on and after that date that is no more than 60 days prior to adoption of this Ordinance. The
City reasonably expects on the date of adoption of this Ordinance that it will reimburse the
Expenditures with the proceeds of the Certificates.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital
account under general federal income tax principles (determined in each case as of the date
of the Expenditure), (b) a cost of issuance with respect to the Certificates, (c) a nonrecurring
item that is not customarily payable from current revenues, or (d) a grant to a party that is not
related to or an agent of the City so long as such grant does not impose any obligation or
condition (directly or indirectly) to repay any amount to or for the benefit of the City. The
maximum aggregate principal amount of the Certificates expected to be executed and
delivered for the Rehabilitation Detention Facility Project is $215,000,000. The City shall
make a reimbursement allocation, which is a written allocation by the City that evidences the
City’s use of proceeds of the Certificates to reimburse an Expenditure, no later than 18
months after the later of the date on which the Expenditure is paid or the Rehabilitation
Detention Facility Project is placed in service or abandoned, but in no event more than three
years after the date on which the Expenditure is paid. The City recognizes that exceptions
are available for certain “preliminary expenditures,” costs of issuance, certain *de minimis*
amounts, expenditures by “small issuers” (based on the year of issuance and not the year of
expenditure) and expenditures for construction projects of at least 5 years.

Section 12. General Authority. The Mayor, the City Treasurer, the City Attorney, the
City Controller, the City Administrator, the Director of Public Finance, the Clerk and other
officers of the City and their duly authorized deputies, designees and agents are hereby
authorized and directed, jointly and severally, to take such actions and to execute and deliver
such certificates, agreements, requests or other documents as they may deem necessary or
desirable to accomplish the purposes of this Ordinance, including but not limited to the
execution and delivery of the Property Lease, the Lease Agreement, the Trust Agreement, the
Continuing Disclosure Certificate, the Purchase Contract and the Certificates, to obtain bond
insurance or other credit enhancements or a surety policy with respect to the Certificates, to
obtain title insurance, to clear any encumbrances to title and to carry out other title work. Any
such actions are solely intended to further the purposes of this Ordinance, and are subject in
all respects to the terms of this Ordinance. No such actions shall increase the risk to the City
or require the City to spend any resources not otherwise granted herein. Final versions of any
such documents shall be provided to the Clerk of the Board of Supervisors for inclusion in the
official file within 30 days of execution (or as soon thereafter as final documents are available)
by all parties.

Section 13. Modifications, Changes and Additions. The Mayor, the City Treasurer,
the City Controller and the Director of Public Finance each are hereby authorized to make
such modifications, changes and additions to the documents and agreements approved
hereby, upon consultation with the City Attorney, as may be necessary or desirable and in the
interests of the City, and which changes do not materially increase the City's obligations or
reduce its rights thereunder or hereunder. The respective official's approval of such
modifications, changes and additions shall be conclusively evidenced by the execution and
delivery thereof by such official.

Section 14. Partial Invalidity. Any provision of this Ordinance found to be prohibited
by law shall be ineffective only to the extent of such prohibition, and shall not invalidate the
remainder of this Ordinance.

Section 15. Effective Date. This Ordinance shall take effect immediately.
Section 16. Ratification of Prior Actions. All actions authorized consistent with any documents presented herein and approved by this Ordinance but heretofore taken are hereby ratified, approved and confirmed by the Board.
