Section 11. Reimbursement. The City declares its official intent to reimburse prior expenditures of the City incurred prior to the execution and delivery of the Certificates in connection with the Animal Care & Control Renovation Project or portions thereof with the proceeds of the Certificates. The Board of Supervisors declares the City’s intent to reimburse the City with the proceeds of the Certificates for the expenditures with respect to the Animal Care & Control Renovation Project (the “Expenditures” and each an “Expenditure”) made on and after that date that is no more than 60 days prior to adoption of this Resolution. The City reasonably expects on the date of adoption of this Resolution that it will reimburse the Expenditures with the proceeds of the Certificates.
Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Certificates, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City. The maximum aggregate principal amount of the Certificates expected to be executed and delivered for the Animal Care & Control Renovation Project is $60,500,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City’s use of proceeds of the Certificates to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Animal Care & Control Renovation Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 12. General Authority. The Mayor, the City Treasurer, the City Attorney, the City Controller, the City Administrator, the Director of Public Finance, the Clerk and other officers of the City and their duly authorized deputies, designees and agents are hereby authorized and directed, jointly and severally, to take such actions and to execute and deliver such certificates, agreements, requests or other documents as they may deem necessary or desirable to accomplish the purposes of this Resolution, including but not limited to the execution and delivery of the Property Lease, the Lease Agreement, the Trust Agreement, the Continuing Disclosure Certificate, the Purchase Contract and the Certificates, to obtain bond insurance or other credit enhancements or a surety policy with respect to the Certificates, to
obtain title insurance, to clear any encumbrances to title and to carry out other title work. Any such actions are solely intended to further the purposes of this Resolution, and are subject in all respects to the terms of this Resolution. No such actions shall increase the risk to the City or require the City to spend any resources not otherwise granted herein. Final versions of any such documents shall be provided to the Clerk of the Board of Supervisors for inclusion in the official file within 30 days of execution (or as soon thereafter as final documents are available) by all parties.

Section 13. Modifications, Changes and Additions. The Mayor, the City Treasurer, the City Controller and the Director of Public Finance each are hereby authorized to make such modifications, changes and additions to the documents and agreements approved hereby, as consistent with the documents herein and this Resolution and upon consultation with the City Attorney, as may be necessary or desirable and in the interests of the City, and which changes do not materially increase the City’s obligations or reduce its rights thereunder or hereunder. The respective official’s approval of such modifications, changes and additions shall be conclusively evidenced by the execution and delivery thereof by such official.

Section 14. Partial Invalidity. Any provision of this Resolution found to be prohibited by law shall be ineffective only to the extent of such prohibition, and shall not invalidate the remainder of this Resolution.

Section 15. Ratification of Prior Actions. All actions heretofore taken and consistent with any documents presented herein and approved by this Resolution are hereby ratified, approved and confirmed by the Board.
Section 16. **Effective Date.** This Resolution shall take effect upon its enactment.

Enactment occurs when the Mayor signs the resolution, the Mayor returns the resolution unsigned or does not sign the resolution within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the resolution.
