The Board of Supervisors at the direction of the Citizens' General Obligation Bond Oversight Committee to cover the costs of such Committee and its review process; NOW, THEREFORE, BE IT RESOLVED By the Board of Supervisors of the City and County of San Francisco, as follows:

Section 1. Recitals. All of the recitals in this Resolution are true and correct.

Section 2. Conditions Precedent. All conditions, things and acts required by law to exist, to happen and to be performed precedent to and in connection with the issuance of the Series 2019C Bonds exist, have happened and have been performed in due time, form and manner in accordance with applicable law, and the City is now authorized pursuant to the Bond Election, the Charter and applicable law to incur indebtedness in the manner and form provided in this Resolution.

Section 3. Documents. The documents herein presented to the Board of Supervisors and on file with the Clerk of the Board of Supervisors (“Clerk of the Board of Supervisors”) are contained in File No. __.

Section 4. Issuance and Sale of Series 2019C Bonds; Determination of Certain Terms; Designation. The Board of Supervisors authorizes the issuance and sale of not to exceed $3,100,000 in aggregate principal amount of Bonds to be designated as “City and County of San Francisco General Obligation Bonds (Clean and Safe Neighborhood Parks Bonds, 2012), Series 2019C,” for the purposes set forth in the Bond Election Ordinance and Proposition B approved by the voters at the Bond Election.

The Director of Public Finance of the City or designee thereof (“Director of Public Finance”) is authorized to determine, for the Series 2019C Bonds, the sale date, the interest rates, the definitive principal amount, the maturity dates and the redemption dates, if any, and the terms of any optional or mandatory redemption, subject to the other specific provisions of this Resolution, including the following terms and conditions: (i) the Series 2019C Bonds shall not
have a true interest cost (as such term is defined in the Official Notice of Sale for the Bonds (“Official Notice of Sale”)) in excess of 12%; and (ii) the Series 2019C Bonds shall not have a final maturity date more than thirty (30) years from the date of issuance. The Director of Public Finance is further authorized to give the Series 2019C Bonds such additional or other series designation, or to modify such series designation, as may be necessary or appropriate to distinguish the Series 2019C Bonds from every other series of Bonds and from other bonds issued by the City.

Section 5. Execution, Authentication and Registration of the Series 2019C Bonds. Each of the Series 2019C Bonds shall be in fully registered form without coupons in denominations of $5,000 or any integral multiple of that amount. The officers of the City are directed to cause the Series 2019C Bonds to be prepared in sufficient quantity for delivery to or for the account of their purchaser and the Controller is directed to cause the blanks in the Series 2019C Bonds to be completed in accordance with the Authorizing Resolution and the Bond Award (as defined in Section 14), to procure their execution by the proper officers of the City (including by facsimile signature if necessary or convenient, except that any signature of the Clerk of the Board of Supervisors shall be by manual signature) and authentication as provided in this Section, and to deliver the Series 2019C Bonds when so executed and authenticated to said purchaser in exchange for their purchase price, all in accordance with the Authorizing Resolution.

The Series 2019C Bonds and the certificate of authentication and registration, to be manually executed by the Treasurer of the City or designee thereof (“City Treasurer”), and the form of assignment to appear on the Series 2019C Bonds shall be substantially in the form attached as Exhibit A (a copy of which is on file with the Clerk of the Board of Supervisors and which is declared to be a part of this Resolution as if fully set forth in this Resolution), with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution.
Only Series 2019C Bonds bearing a certificate of authentication and registration executed by the City Treasurer shall be valid or obligatory for any purpose or entitled to the benefits of the Authorizing Resolution and this Resolution, and such certificate of the City Treasurer, executed as provided in this Resolution, shall be conclusive evidence that the Series 2019C Bonds so authenticated have been duly authenticated and delivered under, and are entitled to the benefits of, the Authorizing Resolution and this Resolution.

The Controller shall assign a distinctive letter, or number, or letter and number to each Series 2019C Bond authenticated and registered by the City Treasurer and shall maintain a record thereof which shall be available for inspection.

Section 6. Registration Books. The City Treasurer shall keep or cause to be kept, at the office of the City Treasurer or at the designated office of any registrar appointed by the City Treasurer, separate and sufficient books for the registration and transfer of Series 2019C Bonds, which books shall at all times be open to inspection, and upon presentation for such purpose, the City Treasurer shall, under such reasonable regulations as he or she may prescribe, register or transfer or cause to be registered or transferred, on said books, Series 2019C Bonds as provided in this Resolution. The City and the City Treasurer may treat the registered owner of each Series 2019C Bond as its absolute owner for all purposes, and the City and the City Treasurer shall not be affected by any notice to the contrary.

Section 7. Transfer or Exchange of Series 2019C Bonds. Any Series 2019C Bond may, in accordance with its terms, be transferred upon the books required to be kept pursuant to the provisions of Section 6, by the person in whose name it is registered, in person or by the duly authorized attorney of such person in writing, upon surrender of such Series 2019C Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the City Treasurer.
Any Series 2019C Bond may be exchanged at the office of the City Treasurer for a like aggregate principal amount of other authorized denominations of the same interest rate and maturity.

Whenever any Series 2019C Bond shall be surrendered for transfer or exchange, the designated City officials shall execute (as provided in Section 5) and the City Treasurer shall authenticate and deliver a new Series 2019C Bond of the same interest rate and maturity in a like aggregate principal amount. The City Treasurer shall require the payment by any bond owner requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfer or exchange of Series of 2019C Bonds shall be required to be made by the City Treasurer during the period from the Record Date (as defined in Section 8(b)) next preceding each interest payment date to such interest payment date or after a notice of redemption shall have been mailed with respect to such Series 2019C Bonds.

Section 8. Terms of the Series 2019C Bonds; General Redemption Provisions.

(a) Date of the Series 2019C Bonds. The Series 2019C Bonds shall be dated the date of their delivery or such other date (“Dated Date”) as is specified in the Bond Award.

(b) Payment of the Series 2019C Bonds. The principal of the Series 2019C Bonds shall be payable in lawful money of the United States of America to their Owners upon surrender at maturity or earlier redemption at the office of the City Treasurer. The interest on the Series 2019C Bonds shall be payable in like lawful money to the person whose name appears on the bond registration books of the City Treasurer as the owner as of the close of business on the last day of the month immediately preceding an interest payment date (“Record Date”), whether or not such day is a Business Day (as defined below).

Except as may be otherwise provided in connection with any book-entry only system applicable to the Series 2019C Bonds, payment of the interest on any Series 2019C Bond shall
be made by check mailed on the interest payment date to such owner at such owner's address
as it appears on the registration books as of the Record Date; provided, that if any interest
payment date occurs on a day that banks in California or New York are closed for business or
the New York Stock Exchange is closed for business, then such payment shall be made on the
next succeeding day that banks in both California and New York are open for business and the
New York Stock Exchange is open for business (each, a “Business Day”); and provided, further,
that the registered owner of an aggregate principal amount of at least $1,000,000 of Series
2019C Bonds may submit a written request to the City Treasurer on or before a Record Date
preceding an interest payment date for payment of interest on the next succeeding interest
payment date and thereafter by wire transfer to a commercial bank located within the United
States of America.

For so long as any Series 2019C Bonds are held in book-entry form by a securities
depository selected by the City pursuant to Section 11, payment shall be made to the registered
owner of the Series 2019C Bonds designated by such securities depository by wire transfer of
immediately available funds.

(c) Interest on the Series 2019C Bonds. The Series 2019C Bonds shall bear interest
at rates to be determined upon the sale of the Series 2019C Bonds, calculated on the basis of a
360-day year comprised of twelve 30-day months, payable on June 15, 2020 (or such other date
as may be designated in the Bond Award), and semiannually thereafter on June 15 and
December 15 of each year. Each Series 2019C Bond shall bear interest from the interest
payment date next preceding the date of its authentication unless it is authenticated as of a day
during the period from the Record Date next preceding any interest payment date to the interest
payment date, inclusive, in which event it shall bear interest from such interest payment date, or
unless it is authenticated on or before the first Record Date, in which event it shall bear interest
from the Dated Date; provided, that if, at the time of authentication of any Series 2019C Bond,
interest is in default on the Series 2019C Bonds, such Series 2019C Bond shall bear interest
from the interest payment date to which interest has previously been paid or made available for
payment on the Series 2019C Bonds or from the Dated Date if the first interest payment is not
made.

(d) Optional Redemption. The Series 2019C Bonds may be subject to optional
redemption prior to maturity as provided in the Official Notice of Sale or the Bond Award.

(e) Mandatory Redemption. The Series 2019C Bonds may be subject to mandatory
redemption at par, by lot, in any year in which the purchaser has designated that the principal
amount payable with respect to that year shall constitute a mandatory sinking fund payment as
permitted by the Official Notice of Sale. Any Series 2019C Bonds subject to mandatory
redemption shall be designated as such in the Official Notice of Sale or the Bond Award.

The principal of and interest on the Series 2019C Bonds subject to mandatory
redemption shall be paid from the Series 2019C Bond Account (as defined in Section 9),
pursuant to Section 9. In lieu of any such mandatory redemption for Series 2019C Bonds, at any
time prior to the selection of Series 2019C Bonds for mandatory redemption, the City may apply
amounts on deposit in the Series 2019C Bond Account to make such payment to the purchase,
at public or private sale, of Series 2019C Bonds subject to such mandatory redemption, and
when and at such prices not in excess of the principal amount thereof (including sales
commission and other charges but excluding accrued interest), as the City may determine.

(f) Selection of Series 2019C Bonds for Redemption. Whenever less than all of the
outstanding Series 2019C Bonds are called for redemption on any date, the City Treasurer will
select the maturities of the Series 2019C Bonds to be redeemed in the sole discretion of the City
Treasurer. Whenever less than all of the outstanding Series 2019C Bonds maturing on any one
date are called for redemption on any one date, the Director of Public Finance will select the
Series 2019C Bonds or portions thereof, in denominations of $5,000 or any integral multiple
thereof, to be redeemed from the outstanding Series 2019C Bonds maturing on such date not
previously selected for redemption, by lot, in any manner which the City Treasurer deems fair.

If the Series 2019C Bonds to be optionally redeemed are also subject to mandatory
redemption, the City Treasurer shall designate the mandatory sinking fund payment or payments
(or portions thereof) against which the principal amount of the Series 2019C Bonds optionally
redeemed shall be credited.

(g) Notice of Redemption. The date on which Series 2019C Bonds that are called for
redemption are to be presented for redemption is called the “Redemption Date.” The City
Treasurer shall mail, or cause to be mailed, notice of any redemption of Series 2019C Bonds,
postage prepaid, to the respective registered owners at the addresses appearing on the bond
registration books not less than twenty (20) nor more than sixty (60) days prior to the
Redemption Date. The notice of redemption shall (i) state the Redemption Date; (ii) state the
redemption price; (iii) state the maturity dates of the Series 2019C Bonds to be redeemed and, if
less than all of any such maturity is called for redemption, the distinctive numbers of the Series
2019C Bonds of such maturity to be redeemed, and in the case of any Series 2019C Bonds to
be redeemed in part only, the respective portions of the principal amount to be redeemed; (iv)
state the CUSIP number, if any, of each Series 2019C Bond to be redeemed; (v) require that
such Series 2019C Bonds be surrendered by the owners at the office of the City Treasurer or his
or her agent; and (vi) give notice that interest on such Series 2019C Bonds or portions of Series
2019C Bonds to be redeemed will cease to accrue after the Redemption Date. Notice of optional
redemption may be conditional upon receipt of funds or other event specified in the notice of
redemption as provided in subsection (j) of this Section 8.

The actual receipt by the owner of any Series 2019C Bond of notice of such redemption
shall not be a condition precedent to redemption, and failure to receive such notice, or any defect
in such notice so mailed, shall not affect the validity of the proceedings for the redemption of
such Series 2019C Bonds or the cessation of accrual of interest on such Series 2019C Bonds on
the Redemption Date.

Notice of redemption also shall be given, or caused to be given by the City Treasurer, by
(i) registered or certified mail, postage prepaid, (ii) confirmed facsimile transmission, (iii)
overnight delivery service, or (iv) to the extent acceptable to the intended recipient, email or
similar electronic means, to (a) all organizations registered with the Securities and Exchange
Commission as securities depositaries and (b) such other services or organizations as may be
required in accordance with the Continuing Disclosure Certificate described in Section 20.

The notice or notices required for redemption shall be given by the City Treasurer or any
agent appointed by the City. A certificate of the City Treasurer or such other appointed agent of
the City that notice of redemption has been given to the owner of any Series 2019C Bond to be
redeemed in accordance with this Resolution shall be conclusive against all parties.

(h) Series 2019C Bond Redemption Account. At the time the City Treasurer or the
Controller of the City or his or her designee (“Controller”) determines to optionally call and
redeem any of the Series 2019C Bonds, the City Treasurer or his or her agent shall establish a
redemption account to be described or known as the “General Obligation Bonds, Series 2019C
Bond Redemption Account” (“Series 2019C Bond Redemption Account”), and prior to or on the
Redemption Date there must be set aside in the Series 2019C Bond Redemption Account
moneys available for the purpose and sufficient to redeem, as provided in this Resolution, the
Series 2019C Bonds designated in said notice of redemption, subject to the provisions of
subsection (j) of this Section. Said moneys must be set aside in the Series 2019C Bond
Redemption Account solely for the purpose of, and shall be applied on or after the Redemption
Date to, payment of the redemption price of the Series 2019C Bonds to be redeemed upon
presentation and surrender of such Series 2019C Bonds. Any interest due on or prior to the
Redemption Date may be paid from the Series 2019C Bond Account as provided in Section 9 or
from the Series 2019C Bond Redemption Account. Moneys held from time to time in the Series
2019C Bond Redemption Account shall be invested by the City Treasurer pursuant to the City's
policies and guidelines for investment of moneys in the General Fund of the City. If, after all of
the Series 2019C Bond have been redeemed and canceled or paid and canceled, there are
moneys remaining in the Series 2019C Bond Redemption Account, said moneys shall be
transferred to the General Fund of the City or to such other fund or account as required by
applicable law; provided, that if said moneys are part of the proceeds of refunding bonds, said
moneys shall be transferred pursuant to the resolution authorizing such refunding bonds.

(i) Effect of Redemption. When notice of optional redemption has been given
substantially as provided in this Resolution, and when the amount necessary for the redemption
of the Series 2019C Bonds called for redemption (principal, premium, if any, and accrued
interest to such Redemption Date) is set aside for that purpose in the Series 2019C Bond
Redemption Account, the Series 2019C Bonds designated for redemption shall become due and
payable on the Redemption Date, and upon presentation and surrender of said Series 2019C
Bonds at the place specified in the notice of redemption, such Series 2019C Bonds shall be
redeemed and paid at said redemption price out of said Series 2019C Bond Redemption
Account. No interest will accrue on such Series 2019C Bonds called for redemption after the
Redemption Date and the registered owners of such Series 2019C Bonds shall look for payment
of such Series 2019C Bonds only to the Series 2019C Bond Redemption Account. All Series
2019C Bonds redeemed shall be canceled immediately by the City Treasurer and shall not be
reissued.

(j) Conditional Notice of Redemption; Rescission of Redemption. Any notice of
optional redemption given as provided in Section 8(g) may provide that such redemption is
conditioned upon: (i) deposit in the Series 2019C Bond Redemption Account of sufficient
moneys to redeem the Series 2019C Bonds called for optional redemption on the anticipated
Redemption Date, or (ii) the occurrence of any other event specified in the notice of redemption.

If conditional notice of redemption has been given substantially as provided in this subsection (j), and on the scheduled Redemption Date (A) sufficient moneys to redeem the Series 2019C Bonds called for optional redemption on the Redemption Date have not been deposited in the Series 2019C Bond Redemption Account, or (B) any other event specified in the notice of redemption as a condition to the redemption has not occurred, then (y) the Series 2019C Bonds for which conditional notice of redemption was given shall not be redeemed on the anticipated Redemption Date and shall remain Outstanding for all purposes of this Resolution, and (z) the redemption not occurring shall not constitute a default under this Resolution or the Authorizing Resolution.

The City may rescind any optional redemption and notice of it for any reason on any date prior to any Redemption Date by causing written notice of the rescission to be given to the owners of all Series 2019C Bonds so called for redemption. Notice of any such rescission of redemption shall be given in the same manner notice of redemption was originally given. The actual receipt by the owner of any Series 2019C Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice so mailed shall not affect the validity of the rescission.

Section 9. Series 2019C Bond Account. There is established with the City Treasurer a special subaccount in the General Obligation Bonds (Clean and Safe Neighborhood Parks Bonds, 2012) Bond Account (“Bond Account”) created pursuant to the Authorizing Resolution to be designated the “General Obligation Bonds (Clean and Safe Neighborhood Parks Bonds, 2012), Series 2019C Bond Subaccount” (“Series 2019C Bond Account”), to be held separate and apart from all other accounts of the City. All interest earned on amounts on deposit in the Series 2019C Bond Account shall be retained in the Series 2019C Bond Account.
On or prior to the date on which any payment of principal of or interest on the Series 2019C Bonds is due, including any Series 2019C Bonds subject to mandatory redemption on said date, the City Treasurer shall allocate to and deposit in the Series 2019C Bond Account, from amounts held in the Bond Account, an amount which, when added to any available moneys contained in the Series 2019C Bond Account, is sufficient to pay principal of and interest on the Series 2019C Bonds on such date.

On or prior to the date on which any Series 2019C Bonds are to be redeemed at the option of the City pursuant to this Resolution, the City Treasurer may allocate to and deposit in the Series 2019C Bond Redemption Account, from amounts held in the Bond Account pursuant to Section 8 of the Authorizing Resolution, an amount which, when added to any available moneys contained in the Series 2019C Bond Redemption Account, is sufficient to pay principal, interest and premium, if any, with respect to such Series 2019C Bonds on such date. The City Treasurer may make such other provision for the payment of principal of and interest and any redemption premium on the Series 2019C Bonds as is necessary or convenient to permit the optional redemption of the Series 2019C Bonds.

Amounts in the Series 2019C Bond Account may be invested in any investment of the City in which moneys in the General Fund of the City are invested. The City Treasurer may (i) commingle any of the moneys held in the Series 2019C Bond Account with other City moneys or (ii) deposit amounts credited to the Series 2019C Bond Account into a separate fund or funds for investment purposes only; provided, that all of the moneys held in the Series 2019C Bond Account shall be accounted for separately notwithstanding any such commingling or separate deposit by the City Treasurer.

Section 10. Series 2019C Bond Project Account. There is established with the City Treasurer a special subaccount in the General Obligation Bonds (Clean and Safe Neighborhood Parks Bonds, 2012) Project Account ("Project Account") created pursuant to the Authorizing
Resolution to be designated the “General Obligation Bonds (Clean and Safe Neighborhood Parks Bonds, 2012), Series 2019C Bond Project Subaccount” (“Series 2019C Bond Project Account”), to be held separate and apart from all other accounts of the City. All interest earned on amounts on deposit in the Series 2019C Bond Project Account shall be retained in the Series 2019C Bond Project Account. Amounts in the Series 2019C Bond Project Account shall be expended in accordance with the provisions of the Authorizing Resolution for the acquisition, construction or reconstruction of the Project (as defined in the Authorizing Resolution).

Amounts in the Series 2019C Bond Project Account may be invested in any investment of the City in which moneys in the General Fund of the City are invested. The City Treasurer may (i) commingle any of the moneys held in the Series 2019C Bond Project Account with other City moneys or (ii) deposit amounts credited to the Series 2019C Bond Project Account into a separate fund or funds for investment purposes only; provided, that all of the moneys held in the Series 2019C Bond Project Account (including interest earnings) shall be accounted for separately notwithstanding any such comingling or separate deposit by the City Treasurer.

The City Treasurer is authorized to pay or cause to be paid from the proceeds of the Series 2019C Bonds, on behalf of the City, the costs of issuance associated with the Series 2019C Bonds. Costs of issuance of the Series 2019C Bonds shall include, without limitation, bond and financial printing expenses, mailing and publication expenses, rating agency fees, the fees and expenses of paying agents, registrars, financial consultants, disclosure counsel and co-bond counsel, and the reimbursement of departmental expenses in connection with the issuance of the Series 2019C Bonds.

Section 11. Appointment of Depositories and Other Agents. The City Treasurer is authorized and directed to appoint one or more depositories as he or she may deem desirable and the procedures set forth in Section 6, Section 7 and Section 8 relating to registration of ownership of the Series 2019C Bonds and payments and redemption notices to owners of the
Series 2019C Bonds may be modified to comply with the policies and procedures of such
depository. The City will not have any responsibility or obligation to any purchaser of a beneficial
ownership interest in any Series 2019C Bonds or to any participants in such a depository with
respect to (i) the accuracy of any records maintained by such securities depository or any
participant therein; (ii) any notice that is permitted or required to be given to the owners of Series
2019C Bonds under this Resolution; (iii) the selection by such securities depository or any
participant therein of any person to receive payment in the event of a partial redemption of
Series 2019C Bonds; (iv) the payment by such securities depository or any participant therein of
any amount with respect to the principal or redemption premium, if any, or interest due with
respect to Series 2019C Bonds; (v) any consent given or other action taken by such securities
depository as the owner of Series 2019C Bonds; or (vi) any other matter.

The Depository Trust Company (“DTC”) is appointed as depository for the Series 2019C
Bonds. The Series 2019C Bonds shall be initially issued in book-entry form. Upon initial
issuance, the ownership of each Series 2019C Bond shall be registered in the bond register in
the name of Cede & Co., as nominee of DTC. So long as each Series 2019C Bond is registered
in book-entry form, each Series 2019C Bond shall be registered in the name of Cede & Co. or in
the name of such successor nominee as may be designated from time to time by DTC or any
successor as depository.

The City Treasurer is also authorized and directed to appoint one or more agents as he
or she may deem necessary or desirable. To the extent permitted by applicable law and under
the supervision of the City Treasurer, such agents may serve as paying agent, fiscal agent,
rebate calculation agent, escrow agent or registrar for the Series 2019C Bonds or may assist the
City Treasurer in performing any or all of such functions and such other duties as the City
Treasurer shall determine. Such agents shall serve under such terms and conditions as the City
Treasurer shall determine. If the City Treasurer appoints one or more paying agents, the
procedures set forth in Sections 6 and 8 hereof relating to registration of ownership of the Series 2019C Bonds and payments and redemption notices to Registered Owner of the Series 2019C Bonds may be modified to comply with the policies and procedures of such paying agent. Such agents shall serve under such terms and conditions as the City Treasurer shall determine. The City Treasurer may remove or replace agents appointed pursuant to this paragraph at any time.

Section 12. **Defeasance Provisions.** Payment of all or any portion of the Series 2019C Bonds may be provided for prior to such Series 2019C Bonds' respective stated maturities by irrevocably depositing with the City Treasurer (or any commercial bank or trust company designated by the City Treasurer to act as escrow agent):

(a) An amount of cash equal to the principal amount of all of the Series 2019C Bonds or portion thereof to be defeased, and all unpaid interest thereon to maturity, except that in the case of any portion of the Series 2019C Bonds that is to be redeemed prior to such Series 2019C Bonds' respective stated maturities and in respect of which notice of such redemption shall have been given as provided in Section 8 or an irrevocable election to give such notice shall have been made by the City, the amount to be deposited shall be the principal amount thereof, all unpaid interest thereon to the Redemption Date, and premium, if any, due on such Redemption Date; or

(b) Defeasance Securities (as defined below) not subject to call, except as provided below in the definition of that term, maturing and paying interest at such times and in such amounts, together with interest earnings and cash, if required, as will, without reinvestment, as certified by an independent certified public accountant, be fully sufficient to pay the principal and all unpaid interest to maturity, or to the Redemption Date, as the case may be, and premium, if any, due on the portion of the Series 2019C Bonds to be redeemed, as such principal and interest come due; provided, that, in the case of Series 2019C Bonds that are to be redeemed prior to maturity, notice of such redemption shall be given as provided in Section 8 or an
irrevocable election to give such notice shall have been made by the City; then, all obligations of
the City with respect to said outstanding Series 2019C Bonds shall cease and terminate, except
only the obligation of the City to pay or cause to be paid from the funds deposited pursuant to
paragraphs (a) or (b) of this Section 12 to the owners of such Series 2019C Bonds all sums due
with respect thereto and the obligations of the City pursuant to Section 19; and provided further,
that the City shall have received an opinion of nationally recognized bond counsel that provision
for the payment of such Series 2019C Bonds has been made in accordance with this Section 12.

For purposes of this Section 12, “Defeasance Securities” shall mean any of the following
that at the time are legal investments under the laws of the State of California for the moneys
proposed to be invested:

   (1) United States Obligations (as defined below); and

   (2) Pre-refunded fixed interest rate municipal obligations meeting the following
   conditions: (a) the municipal obligations are not subject to redemption prior to maturity, or the
   trustee or paying agent has been given irrevocable instructions concerning their calling and
   redemption and the issuer has covenanted not to redeem such obligations other than as set forth
   in such instructions; (b) the municipal obligations are secured by cash or United States
   Obligations; (c) the principal of and interest on the United States Obligations (plus any cash in
   the escrow fund or the Series 2019C Bond Redemption Account) are sufficient to meet the
   liabilities of the municipal obligations; (d) the United States Obligations serving as security for the
   municipal obligations are held by an escrow agent or trustee; (e) the United States Obligations
   are not available to satisfy any other claims, including those against the trustee or escrow agent;
   and (f) the municipal obligations are rated, without regard to any numerical modifier, plus or
   minus sign or other modifier, at the time of original deposit to the escrow fund, by any two Rating
   Agencies (as defined below) not lower than the rating then maintained by such Rating Agencies
   on such United States Obligations.
For purposes of this Section 12, “United States Obligations” means (i) direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including without limitation, the interest component of Resolution Funding Corporation (REFCORP) bonds that have been stripped by request to the Federal Reserve Bank of New York in book-entry form or (ii) any security issued by an agency or instrumentality of the United States of America that is selected by the Director of Public Finance that results in the escrow fund being rated by any two Rating Agencies at the time of the initial deposit to the escrow fund and upon any substitution or subsequent deposit to the escrow fund, not lower than the rating then maintained by such Rating Agencies on United States Obligations described in clause (i) above.

For purposes of this Section 12, “Rating Agencies” means Moody's Investors Service, Inc., Fitch Ratings, and Standard and Poor's Rating Services, a division of The McGraw-Hill Companies, Inc., or any other nationally recognized bond rating agency that is the successor to any of the foregoing rating agencies or that is otherwise recognized as a national rating agency after the date hereof.

Section 13. Sale of Series 2019C Bonds by Competitive or Negotiated Sale. The Board of Supervisors authorizes the sale of the Series 2019C Bonds by solicitation of competitive bids or by negotiated sale to one or more underwriters to be appointed in accordance with City policies, if so determined by the Director of Public Finance. If the Series 2019C Bonds are sold by competitive bid, the Board of Supervisors authorizes the sale of the Series 2019C Bonds on the date and at the place determined in accordance with the Official Notice of Sale and Section 4 hereof.

Section 14. Official Notice of Sale; Receipt of Bids; Bond Award.

(a) Official Notice of Sale. The form of proposed Official Notice of Sale inviting bids for the Series 2019C Bonds submitted to the Board of Supervisors is approved and adopted as
the Official Notice of Sale inviting bids for the Series 2019C Bonds, with such changes, additions
and modifications as may be made in accordance with Section 21. The Director of Public
Finance is authorized and directed to cause to be mailed or otherwise circulated to prospective
bidders for the Series 2019C Bonds copies of the Official Notice of Sale, subject to such
corrections, revisions or additions as may be acceptable to the Director of Public Finance.
(b) Receipt of Bids. Bids shall be received on the date designated by the Director of
Public Finance pursuant to Section 4.
(c) Bond Award. As provided in the Official Notice of Sale, the City may reject any
and all bids received for any reason. The Controller is authorized to award the Series 2019C
Bonds to the responsible bidder whose bid (i) is timely received and conforms to the Official
Notice of Sale, except to the extent informalities and irregularities are waived by the City as
permitted by the Official Notice of Sale, and (ii) represents the lowest true interest cost to the City
in accordance with the procedures described in the Official Notice of Sale. The award, if made,
shall be set forth in a certificate signed by the Controller setting forth the terms of the Series
2019C Bonds and the original purchasers (“Bond Award”). The Controller shall provide a copy of
the Bond Award as soon as practicable to the Clerk of the Board of Supervisors and the Director
of Public Finance; provided, that failure to provide such copy shall not affect the validity of the
Bond Award.
Section 15. Publication of Notice of Intention to Sell Bonds. The form of proposed Notice
of Intention to Sell the Series 2019C Bonds (“Notice of Intention to Sell Bonds”) submitted to the
Board of Supervisors is approved and adopted as the Notice of Intention to Sell the Series
2019C Bonds, and the Director of Public Finance is authorized and directed to cause the Notice
of Intention to Sell Bonds, subject to such corrections, revisions or additions as may be made in
accordance with Section 21, to be published once in The Bond Buyer or another financial
publication generally circulated throughout the State of California meeting the requirements of
Section 53692 of the Government Code at least fifteen (15) days prior to the date fixed for receipt of proposals for the Series 2019C Bonds, or if sold in conjunction with the sale of any other bonds of the City, otherwise set forth in Section 53692 of the Government Code.

Section 16. Sale of Series 2019C Bonds by Negotiated Sale, Form of Purchase Contract; Authorization to Select Underwriters. The Controller, in consultation with the Director of Public Finance, is hereby authorized to conduct the sale of the Series 2019C Bonds by negotiated sale pursuant to one or more Purchase Contracts (each, a “Purchase Contract”), each by and between the City and the underwriter(s) named therein (“Underwriters”), if the Controller determines that such manner of sale is in the best financial interest of the City, such determination to be conclusively evidenced by the execution and delivery of such Purchase Contract as hereinafter approved. The form of such Purchase Contract as presented to this Board of Supervisors, a copy of which is on file with the Clerk of the Board, is hereby approved. The Controller or the Director of Public Finance is hereby authorized to execute such Purchase Contract with such changes, additions and modifications as the Controller or the Director of Public Finance may make or approve in accordance with Section 21 hereof; provided however, that the Underwriters’ discount under any such Purchase Contract shall not exceed 2.00% of the principal amount of the Series 2019C Bonds.

In order to facilitate the sale of the Series 2019C Bonds by negotiated sale, the Controller or the Director of Public Finance is hereby authorized and directed to appoint one or more financial institutions to act as underwriter for the Series 2019C Bonds in accordance with City policies and procedures, including, but not limited to, the City’s policy to provide locally disadvantaged minority business enterprises and women enterprises an equal opportunity to participate in the performance of all City contracts.

Section 17. Disposition of Proceeds of Sale. The proceeds of sale of the Series 2019C Bonds shall be applied by the City Treasurer as follows: (a) accrued interest, if any, shall be
deposited into the Series 2019C Bond Account; (b) premium, if any, shall be deposited into the
Series 2019C Bond Account; and (iii) remaining proceeds of sale shall be deposited into the
Series 2019C Bond Project Account.

Section 18. Official Statement. The form of proposed Preliminary Official Statement
describing the Series 2019C Bonds ("Preliminary Official Statement") submitted to the Board of
Supervisors is approved and adopted as the Preliminary Official Statement describing the Series
2019C Bonds, with such additions, corrections and revisions as may be determined to be
necessary or desirable made in accordance with Section 21. The Controller is authorized to
cause the distribution of a Preliminary Official Statement deemed final for purposes of Securities
and Exchange Commission Rule 15c2-12 promulgated under the Securities Exchange Act of
1934, as amended ("Rule"), and to sign a certificate to that effect. The Director of Public Finance
is authorized and directed to cause to be printed and mailed or electronically distributed to
prospective bidders for the Series 2019C Bonds the Preliminary Official Statement in
substantially the form of the Preliminary Official Statement approved and adopted by this
Resolution, as completed, supplemented, corrected or revised. The Controller is authorized and
directed to approve, execute, and deliver the final Official Statement with respect to the Series
2019C Bonds, which final Official Statement shall be in the form of the Preliminary Official
Statement, with such additions, corrections and revisions as may be determined to be necessary
or desirable made in accordance with Section 21 and as are permitted under the Rule. The
Director of Public Finance is authorized and directed to cause to be printed and mailed or
electronically distributed the final Official Statement to all actual initial purchasers of the Series
2019C Bonds.

(a) Definitions. When used in this Section, the following terms have the following
meanings:
“Closing Date” means the date on which the Series 2019C Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Final Computation Date” has the meaning set forth in Section 1.148-3(e)(2) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Series 2019C Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Series 2019C Bonds are invested and which is not acquired to carry out the governmental purposes of the Series 2019C Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Series 2019C Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of:

(i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(ii) the Series 2019C Bonds has the meaning set forth in Section 1.148 4 of the Regulations.
(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the final payment on the Series 2019C Bonds:

(i) exclusively own, operate and possess all property, the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Series 2019C Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Series 2019C Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the
City or interest earned on investments acquired with such Gross Proceeds pending application
for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and
the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Series
2019C Bonds to make or finance loans to any person or entity other than a state or local
government. For purposes of the foregoing covenant, such Gross Proceeds are considered to
be “loaned” to a person or entity if: (i) property acquired, constructed or improved with such
Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt
for federal income tax purposes; (ii) capacity in or service from such property is committed to
such person or entity under a take-or-pay, output or similar contract or arrangement; or (iii)
indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property
acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a
transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the
Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final
stated maturity of the Series 2019C Bonds directly or indirectly invest Gross Proceeds in any
Investment, if as a result of such investment the Yield of any Investment acquired with Gross
Proceeds, whether then held or previously disposed of, exceeds the Yield of the Series 2019C
Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of
the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any
action which would cause the Series 2019C Bonds to be federally guaranteed within the
meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.
(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Series 2019C Bonds with other money of the City; provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Series 2019C Bonds until six years after the Final Computation Date.

(iii) As additional consideration for the purchase of the Series 2019C Bonds by the initial purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from gross income for federal income tax purposes, the City shall pay to the United States the amount that when added to the future value of previous rebate payments made for the Series 2019C Bonds equals (i) in the case of a Final Computation Date, 100% of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, 90% of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in
the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within 180 days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the final payment on the Series 2019C Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Section 25(h) above because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Series 2019C Bonds not been relevant to either party.

(j) Elections. The City directs and authorizes the Director of Public Finance and the Controller, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Series 2019C Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.
Section 20. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate (“Continuing Disclosure Certificate”), to be signed by the City to permit the original purchasers of the Series 2019C Bonds to comply with the Rule, submitted to the Board of Supervisors is approved and adopted as the Continuing Disclosure Certificate, with such additions, corrections and revisions as may be determined to be necessary or desirable made in accordance with Section 21. The Controller is authorized and directed to execute the Continuing Disclosure Certificate on behalf of the City and deliver the Continuing Disclosure Certificate to the original purchasers of the Series 2019C Bonds.

Section 21. Modification to Documents. Any City official authorized by this Resolution to execute any document is further authorized, in consultation with the City Attorney and co-bond counsel, to approve and make such changes, additions, amendments or modifications to the document or documents such official is authorized to execute as may be necessary or advisable (provided, that such changes, additions, amendments or modifications shall not authorize an aggregate principal amount of Series 2019C Bonds in excess of $3,100,000 or conflict with the provisions of Section 4). The approval of any change, addition, amendment or modification to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.

Section 22. Ratification. All actions previously taken by officials, employees and agents of the City with respect to the sale and issuance of the Series 2019C Bonds, consistent with any documents presented and this Resolution, are approved, confirmed and ratified.

Section 23. Reimbursement. The City declares its official intent to reimburse prior expenditures of the City incurred prior to the issuance and sale of the Series 2019C Bonds in connection with the Project or portions thereof to be financed by the Series 2019C Bonds. The Board of Supervisors declares the City’s intent to reimburse the City with the proceeds of the Series 2019C Bonds for the expenditures with respect to the Project (“Expenditures” and each...
an “Expenditure”) made on and after that date that is no more than 60 days prior to adoption of this Resolution. The City reasonably expects on the date of adoption of this Resolution that it will reimburse the Expenditures with the proceeds of the Series 2019C Bonds.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Series 2019C Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City. The maximum aggregate principal amount of the Series 2019C Bonds expected to be issued for the Project is $3,100,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City’s use of proceeds of the Series 2019C Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 24. Accountability Reports. The Series 2019C Bonds are subject to accountability requirements under the City’s Administrative Code and the Bond Election Ordinance. The deadline for submission of the Accountability Reports under Administrative Code Section 2.71(a) is hereby waived with respect to the Series 2019C Bonds. Accountability report(s) with respect to the Series 2019C Bonds shall be submitted in all other respects in the manner required by the Administrative Code and the Bond Election Ordinance.
Section 25. **Citizens' Oversight Committee.** The Series 2019C Bonds are subject to, and incorporate by reference, the applicable provisions of the San Francisco Administrative Code Sections 5.30-5.36 (“Citizens' General Obligation Bond Oversight Committee”), and, to the extent permitted by law, one tenth of one percent (0.1%) of the gross proceeds of the Series 2019C Bonds shall be deposited into a fund established by the Controller's Office and appropriated by the Board of Supervisors at the direction of the Citizens' General Obligation Bond Oversight Committee to cover the costs of such committee.

Section 26. **CEQA Determination.** The Board of Supervisors hereby reaffirms and incorporates by reference the CEQA findings and determinations set forth in Ordinance 161-12, adopted by the Board of Supervisors on July 17, 2012 and signed by the Mayor on July 24, 2012, as if set forth in full herein. The use of bond proceeds to finance any project or portion of any project with bond proceeds will be subject, as necessary, to approval of the Board of Supervisors upon completion of any planning and any further required environmental review under CEQA for the individual facilities and projects.
Section 27. **General Authority.** The Clerk of the Board of Supervisors, the Mayor, the City Treasurer, the Director of Public Finance, the City Attorney and the Controller are each authorized and directed in the name and on behalf of the City to take any and all steps and to issue, deliver or enter into any and all certificates, requisitions, agreements, notices, consents, and other documents as may be necessary to give effect to the provisions of this Resolution, including but not limited to letters of representations to any depository or depositories, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series 2019C Bonds. Any such actions are solely intended to further the purposes of this Resolution, and are subject in all respects to the terms of this Resolution. No such actions shall increase the risk to the City or require the City to spend any resources not otherwise granted herein. Final versions of any such documents shall be provided to the Clerk of the Board of Supervisors for inclusion in the official file within 30 days (or as soon thereafter as final documents are available) of execution by all parties.

Section 28. **Relationship to Authorizing Resolution.** In the event of any conflict between this Resolution and the Authorizing Resolution, the terms of this Resolution shall control. Without limiting the foregoing and notwithstanding the provisions of the Authorizing Resolution, the City is not obligated to transfer money from the General Fund of the City to the Bond Account to pay the principal of or interest on the Series 2019C Bonds.

money from the interest payment date next preceding the date of authentication of this bond
(unless this bond is authenticated as of the day during the period from the last day of the month
next preceding any interest payment date ("Record Date") to such interest payment date,
inclusive, in which event it shall bear from such interest payment date, or unless this bond is
authenticated on or before __________, 2019, in which event it shall bear interest from its
dated date) until payment of such Principal Amount, at the Interest Rate per year specified above
calculated on the basis of a 360-day year comprised of twelve 30-day months, payable on June
15, 2019 and semiannually thereafter on June 15 and December 15 in each year; provided, that
if any interest payment date occurs on a day that banks in California or New York are closed for

made on the next succeeding day that banks in both California and New York are open for
business and the New York Stock Exchange is open for business (a "Business Day"). The
principal of this bond is payable to the Registered Owner of this bond upon the surrender of this
bond at the office of the Treasurer of the City ("City Treasurer"). The interest on this bond is
payable to the person whose name appears on the bond registration books of the City Treasurer
as the Registered Owner of this bond as of the close of business on the Record Date
immediately preceding an interest payment date, whether or not such day is a Business Day,
such interest to be paid by check mailed on the interest payment date to such Registered Owner
at the owner's address as it appears on such registration books; provided, that the Registered
Owner of bonds in an aggregate principal amount of at least $1,000,000 may submit a written
request to the City Treasurer on or before the Record Date preceding any interest payment date
for payment of interest by wire transfer to a commercial bank located in the United States of
America.

This bond is one of a duly authorized issue of bonds ("Bonds") of like tenor (except for
such variations, if any, as may be required to designate varying numbers, denominations,
interest rates and maturities), in the aggregate principal amount of $__________, which is part
of a bond authorization in the aggregate original principal amount of $195,000,000 authorized by
the affirmative votes of more than two-thirds of the voters voting at a special election duly and
legally called, held and conducted in the City on November 6, 2012 and is issued and sold by the
City pursuant to and in strict conformity with the provisions of the Constitution and laws of the
State of California, the Charter of the City and resolutions adopted by the Board of Supervisors
of the City (“Board of Supervisors”) on __________, 20___ (collectively, together with the
related Certificate of Award, the “Resolutions”).

The Bonds are issuable as fully registered bonds without coupons in the denominations
of $5,000 or any integral multiple of such amount, provided that no bond shall have principal
maturing on more than one principal maturity date. Subject to the limitations and conditions and
upon payment of the charges, if any, provided in the Resolutions, the Bonds may be exchanged
for a like aggregate principal amount of Bonds of other authorized denominations of the same
interest rate and maturity.

This bond is transferable by its registered owner, in person or by its attorney duly
authorized in writing, at the office of the City Treasurer, but only in the manner, subject to the
limitations and upon payment of the charges provided in the Resolutions, and upon surrender
and cancellation of this bond. Upon such transfer, a new bond or bonds of authorized
denomination or denominations for the same interest rate and same aggregate principal amount
will be issued to the transferee in exchange for this bond.

The City Treasurer will not be required to exchange or register the transfer of this bond
during the period (a) from the Record Date for an interest payment date to the opening of
business on such interest payment date or (b) after notice of redemption of this bond or any
portion of this bond has been mailed.

Bonds maturing on and before June 15, 20___, are not redeemable prior to their maturity.
Bonds maturing on and after June 15, 20__, are subject to optional redemption from any available funds, in whole or in part, on any date on or after June 15, 20__, at a price equal to their principal amount plus in each case accrued interest to the date of redemption, without redemption premium. If less than all of the outstanding Bonds are to be redeemed, they may be redeemed in any order of maturity as determined by the City. If less than all of the outstanding Bonds of a maturity are to be redeemed, the Bonds or portions of Bonds of such maturity to be redeemed shall be selected by the City Treasurer, in authorized denominations of $5,000 or integral multiples of that amount, from among Bonds of that maturity not previously called for redemption, by lot, in any manner which the City Treasurer deems fair.

Bonds maturing on June 15, 20__, are subject to mandatory sinking fund redemption on June 15 of each of the years 20__ through 20__, inclusive, and at maturity in the respective amount provided in the Official Notice of Sale/the Bond Purchase Contract for the Bonds.

Notice of the redemption of Bonds which by their terms shall have become subject to redemption shall be given or caused to be given to the registered owner of each bond or portion of a bond called for redemption not less than 20 or more than 60 days before any date established for redemption of Bonds, by the City Treasurer on behalf of the City, first class mail, postage prepaid, sent to the registered owner's last address, if any, appearing on the registration books kept by the City Treasurer. Official notices of redemption will contain the information specified in the Resolutions.

On or prior to any redemption date, the City is required to deposit an amount of money sufficient to pay the redemption price of all of the Bonds or portions of Bonds which are to be redeemed on that date or, in the case of optional redemptions only, the optional redemption and notice of it will be rescinded and the City's failure to deposit such amount will not be a default. In addition, the City may at its option rescind any optional redemption and notice of it for any
reason on any date prior to the applicable redemption date. Notice of rescission of an optional redemption shall be given in the same manner as notice of redemption was originally given,

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless such redemption and notice of it shall have been rescinded or unless the City shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner, shall affect the sufficiency of such notice with respect to other Bonds.

Notice of redemption, or notice of rescission of an optional redemption, having been properly given, failure of a registered owner to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice.

The City and the City Treasurer may treat the registered owner of this bond as the absolute owner of this bond for all purposes, and the City and the City Treasurer shall not be affected by any notice to the contrary.

The City Treasurer may appoint agents to serve as bond registrar or paying agent, as provided in the Resolutions.

The Board of Supervisors certifies, recites and declares that the total amount of indebtedness of the City, including the amount of this bond, is within the limit provided by law, that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this bond have been done and performed in strict conformity with the laws authorizing the issuance of this bond, that this bond is in the form prescribed by order of the Board of Supervisors duly made and entered on its minutes, and the money for the payment of principal of this bond, and the payment of interest thereon, shall be raised by taxation upon the taxable property of the City as provided in the Resolutions.
This bond shall not be entitled to any benefit under the Resolutions, or become valid or obligatory for any purpose, until the certificate of authentication and registration on this bond shall have been signed by the City Treasurer.
