WHEREAS, California Statutes of 1968, Chapter 1333 ("Burton Act") and San Francisco Charter, Section 4.114 and Appendix B, beginning at Section B3.581, empower the City and County of San Francisco ("City"), acting through the San Francisco Port Commission ("Port" or "Port Commission"), with the power and duty to use, conduct, operate, maintain, manage, regulate, and control the lands within Port jurisdiction; and

WHEREAS, Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("Master Developer") and the City, acting by and through the Port, are parties to a Disposition and Development Agreement (as amended from time to time, "DDA"), including a Financing Plan (as amended from time to time, "Financing Plan"), that governs the disposition and development of certain parcels in the jurisdiction of the Port, including Seawall Lot 337, 3.53 acres of Terry A. Francois Boulevard from Third Street to Mission Rock Street, China Basin Park and ½ acre to the east of Terry A. Francois Boulevard between Pier 48 and Pier 50 ("Project Site"), and also provides for development of Pier 48, which DDA was approved by the Board of Supervisors of the City ("Board of Supervisors") by Resolution No. 42-18, adopted on February 13, 2018, signed by the Mayor on February 23, 2018, and a copy of which is in Board File No. 180092 ("Mission Rock Project Resolution"); and
WHEREAS, The Port collaborated with the State Lands Commission and California legislators to amend the Burton Act to lift or suspend its statutory trust use restrictions that impede the Port’s ability to realize the development potential of Port lands; Under Senate Bill 815 (Stats. 2007, ch. 660, as amended by Stats. 2016, ch. 529) (“SB 815”), the Port is authorized to lease certain seawall lots south of Market Street, including the Project Site, for nontrust purposes, providing revenues for rehabilitation of historic wharves and piers and other trust uses; SB 815 allows long-term nontrust uses that are not permissible under the Burton Act as a primary mechanism to generate Port revenues for trust purposes, including the construction of infrastructure needed for development; and

WHEREAS, On November 3, 2015, San Francisco voters approved the Mission Rock Affordable Housing, Parks, Jobs and Historic Preservation Initiative (“Proposition D”), which authorized increased height limits on the Project Site, subject to environmental review, and established a City policy to encourage development of the Project Site; Proposition D specifically provides that it is intended to encourage and implement the lease and development of the Project Site as described in SB 815 to support the purposes of the Burton Act, especially the preservation of historic piers and historic structures and construction of waterfront plazas and open space; and

WHEREAS, The proposed development of the Project Site, which is commonly referred to as the Mission Rock project (“Project”), will be a new mixed-use neighborhood that is proposed to include a mix of commercial/office, retail, parking, and market rate and affordable residential uses and approximately eight acres of new and expanded parks and shoreline access; and

WHEREAS, Under the DDA, (i) the Developer is responsible for master development of the Project Site, including construction of public infrastructure, (ii) the Port and Developer will enter into a master lease for all of the Project Site, (iii) the Port will convey development...
parcels to vertical developers and those parcels will be released from the master lease, and (iv) the Port may enter into a separate lease with the Developer (or an affiliate) for development of Pier 48; and

WHEREAS, The City anticipates that, in addition to the public infrastructure and private development described above, future improvements will be necessary to ensure that the shoreline, public facilities, and public access improvements will be protected should sea level rise in the vicinity of the Project Site, and the Board of Supervisors desires to provide a mechanism to pay for the costs of such improvements; and

WHEREAS, At its hearing on October 5, 2017, and prior to recommending the proposed Planning Code amendments for approval, by Motion No. M-20017, the Planning Commission certified a Final Environmental Impact Report (“FEIR”) for the Project pursuant to the California Environmental Quality Act (“CEQA”) (California Public Resources Code, Section 21000 et seq.), the CEQA Guidelines (14 Cal. Code Reg., Section 15000 et seq.), and Administrative Code, Chapter 31; a copy of said Motion is on file with the Clerk of the Board of Supervisors in File No. 171117, and is incorporated herein by reference; and

WHEREAS, In recommending the proposed Planning Code Amendments for approval by this Board of Supervisors at its hearing on October 5, 2017, by Motion No. M-20018, the Planning Commission also adopted findings under CEQA, including a statement of overriding consideration, and a Mitigation Monitoring and Reporting Program (“MMRP”), and copies of said Motion and MMRP are on file with the Clerk of the Board of Supervisors in File No. 171117, and are incorporated herein by reference; and

WHEREAS, Under Chapter 43, Article X of the San Francisco Administrative Code (as it may be amended from time to time, “Code”), which Code incorporates by reference the Mello-Roos Community Facilities Act of 1982, as amended (“Mello-Roos Act”), this Board of Supervisors is authorized to establish a special tax district and to act as the legislative body
WHEREAS, This Board of Supervisors now desires to proceed with the establishment of a special tax district in order to finance the costs of infrastructure and other authorized facilities and certain services necessary or incident to development of the Project Site, including, without limitation, future improvements necessitated by sea level rise; and

WHEREAS, The Financing Plan provides for the possibility of annexation of certain parcels into the proposed special tax district, and this Board of Supervisors further desires to undertake proceedings to provide for future annexation of territory to the proposed special tax district; now, therefore, be it

RESOLVED, That this Board of Supervisors proposes to conduct proceedings to establish a special tax district pursuant to the Code and hereby determines that public convenience and necessity require that a future annexation area be established; and, be it

FURTHER RESOLVED, That the name proposed for the special tax district is “City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services)” (“Special Tax District”); and, be it

FURTHER RESOLVED, That the name proposed for the territory proposed to be annexed into the Special Tax District in the future is “City and County of San Francisco Community Facilities District No. 2020-1 (Mission Rock Facilities and Services) (Future Annexation Area)” (“Future Annexation Area”); and, be it

FURTHER RESOLVED, That the proposed boundaries of the Special Tax District and the Future Annexation Area are as shown on the map of them on file with the Clerk of the Board of Supervisors, which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars, and the Clerk of the Board of Supervisors is hereby directed to record, or cause to be recorded, the map of the boundaries of the Special Tax District and the Future Annexation Area in the office of the Assessor-Recorder for the City
and County of San Francisco within 15 days of the date of adoption of this Resolution; and, be it

FURTHER RESOLVED, That, from time to time, parcels within the Future Annexation Area shall be annexed to the Special Tax District only with the unanimous approval (each, a “Unanimous Approval”) of the owner or owners of each parcel or parcels at the time that such parcel(s) are annexed; pursuant to Section 43.10.14 of the Code, a Unanimous Approval executed by the owner of a parcel constitutes the vote of the qualified elector in favor of the matters addressed in the Unanimous Approval for purposes of the California Constitution, including, but not limited to, Articles XIII A and XIII C; and, be it

FURTHER RESOLVED, That the Board of Supervisors hereby determines that any property for which the owner or owners execute a Unanimous Approval in accordance with applicable law shall be added to the Special Tax District without any further hearings or proceedings and the Clerk of the Board of Supervisors is hereby directed to record an amendment to the notice of special tax lien for the Special Tax District pursuant to Streets & Highways Code, Section 3117.5 as a result of which the obligation to pay the Special Tax shall become a lien upon the annexed property; provided, however, the designation of property as Future Annexation Area and the ability to annex property to the Special Tax District based on a Unanimous Approval shall not limit, in any way, the annexation of property in the Future Annexation Area to the Special Tax District pursuant to other provisions of applicable law; and, be it

FURTHER RESOLVED, That the Director of the Controller’s Office of Public Finance (“Director”) is hereby directed, from time to time in her discretion, to cause to be recorded one or more consolidated maps of the Special Tax District reflecting all prior modifications, amendments, and annexations pursuant to Section 3113.5 of the Streets & Highways Code; and, be it
FURTHER RESOLVED, That the type of facilities proposed to be financed by the Special Tax District and the Future Annexation Area shall consist of those listed as facilities on Exhibit A hereto and hereby incorporated herein ("Facilities"), subject to compliance with the Code, and this Board of Supervisors hereby determines that the Facilities are necessary to meet increased demands placed upon local agencies as the result of development occurring within the Special Tax District and the Future Annexation Area and that the financing of such Facilities constitutes a public purpose of the City; and, be it

FURTHER RESOLVED, That in order to advance the public purposes of the City, the Special Taxes and proceeds of bonds and other debt issued by the Special Tax District may be used to finance the incidental expenses described in Exhibit A hereto and hereby incorporated herein ("incidental expenses"); and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby finds and determines that the public interest will not be served by allowing the property owners in the Special Tax District to enter into a contract in accordance with Mello-Roos Act, Section 53329.5(a), and notwithstanding the foregoing, this Board of Supervisors, on behalf of the Special Tax District, may enter into one or more contracts directly with any of the owners or lessees of property in the Special Tax District with respect to the construction and/or acquisition of any portion of the Facilities; and, be it

FURTHER RESOLVED, That the Director is hereby authorized and directed to enter into joint community facilities agreements with any entity that will own or operate any of the Facilities, as may be necessary to comply with the provisions of the Code, and this Board of Supervisors' approval of a joint community facilities agreement shall be conclusively evidenced by the execution and delivery thereof by the Director, and this Board of Supervisors hereby declares that such joint agreements will be beneficial to owners and lessees of property in the area of the Special Tax District; and, be it
FURTHER RESOLVED, That the type of services proposed to be financed by the Special Tax District and the Future Annexation Area shall consist of those listed in Exhibit A hereto and hereby incorporated herein (“Services”), subject to compliance with the Code, and this Board of Supervisors hereby determines that the Services are necessary to meet increased demands for such services placed upon local agencies as the result of development occurring within the area of the Special Tax District and the Future Annexation Area and that the financing of such Services constitutes a public purpose of the City; and, be it

FURTHER RESOLVED, That except to the extent that funds are otherwise available, the City will levy a special tax (“Special Tax”) to pay directly for the Facilities, to pay for the Services, to pay for the incidental expenses and to pay the principal and interest on bonds and other debt (as defined in the Mello-Roos Act) of the City issued for the Special Tax District to finance the Facilities; and, be it

FURTHER RESOLVED, That the Special Tax will be secured by recordation of a continuing lien against all non-exempt real property in the Special Tax District, and will be levied annually within the Special Tax District, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this Board of Supervisors or its designee shall determine, including direct billing of the affected owners or lessees of property in the Special Tax Districts; and, be it

FURTHER RESOLVED, That the Board of Supervisors expects the non-exempt real property to consist of leasehold or possessory interests in land owned by the City or the Port Commission, and hereby approves the levy of Special Taxes on such leasehold or possessory interests on the secured roll; and, be it

FURTHER RESOLVED, That the proposed rate and method of apportionment of the Special Tax among the parcels of real property within the Special Tax District, in sufficient
detail to allow each owner or lessee of property within the Special Tax District to estimate the
maximum amount such owner or lessee will have to pay, is described in Exhibit B attached
hereto and hereby incorporated herein (“Rate and Method”); and, be it

FURTHER RESOLVED, That the Special Tax to be levied in the Special Tax District
shall not be levied in the Special Tax District to finance Facilities after the fiscal year
established for that purpose in the Rate and Method, except that a Special Tax that was
lawfully levied in or before the final tax year and that remains delinquent may be collected in
subsequent years; under no circumstances shall the Special Tax levied against any parcel in
the Special Tax District to finance Facilities (“Facilities Special Tax”) in any fiscal year be
increased in that fiscal year as a consequence of delinquency or default by the owner or
lessee of any other parcel or parcels within the Special Tax District by an amount that
exceeds 10% of the maximum Facilities Special Tax applicable to such parcel for that fiscal
year; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby finds that the provisions
of Mello-Roos Act, Sections 53313.6, 53313.7 and 53313.9 (relating to adjustments to ad
valorem property taxes and schools financed by a community facilities district) are
inapplicable to the proposed Special Tax District; and, be it

FURTHER RESOLVED, That as required by Mello-Roos Act, Section 53339.3(d), this
Board of Supervisors hereby determines that the Special Tax proposed to pay for the costs of
the Facilities to be supplied within the Future Annexation Area that are financed with bonds
that have already been issued and that are secured by previously-existing areas of the
Special Tax District will be equal to the Special Taxes levied to pay for the same Facilities in
previously-existing areas of the Special Tax District, except that (i) a higher Special Tax may
be levied within the Future Annexation Area to pay for the same Facilities to compensate for
the interest and principal previously paid from Special Taxes in the original area of the Special
Tax District, less any depreciation allocable to the financed Facilities and (ii) a higher Special
Tax may be levied in the Future Annexation Area to pay for new or additional Facilities, with or
without bond financing; and, be it

FURTHER RESOLVED, That as required by the Mello-Roos Act, this Board of
Supervisors hereby further determines that the Special Tax proposed to pay for Services to be
supplied within the Future Annexation Area shall be equal to any Special Tax levied to pay for
the same Services in the existing Special Tax District, except that a higher or lower tax may
be levied within the Future Annexation Area to the extent that the actual cost of providing the
Services in the Future Annexation Area is higher or lower than the cost of providing those
Services in the existing Special Tax District; in so finding, this Board of Supervisors does not
intend to limit its ability to levy a Special Tax within the Future Annexation Area to provide new
or additional services beyond those supplied within the existing Special Tax District or its
ability to implement changes to the extent permitted by law; and, be it

FURTHER RESOLVED, That as of the date hereof, there are no Leasehold Interests in
Assessor’s Parcels (as those terms are defined in the Rate and Method) within the proposed
boundaries of the Special Tax District that are intended to be exempt from the levy of Special
Taxes; the Board of Supervisors intends for Leasehold Interests in Taxable Parcels within the
proposed boundaries of the Special Tax District that are purchased by a public entity,
including the United States, the State of California and/or the City, or any departments or
political subdivisions thereof (“public entity”), after formation of the Special Tax District to be
subject to the Special Tax, and, if a public entity purchases a Leasehold Interest in a Taxable
Parcel after formation of the Special Tax District, the obligation to pay Special Taxes on such
Leasehold Interest shall be governed by Sections 53317.3 and 53317.5 of the Mello-Roos
Act; and, be it

///
FURTHER RESOLVED, That in the event that a portion of the property within the Special Tax District shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, this Board of Supervisors will, on behalf of the Special Tax District, increase the levy to the extent necessary upon the remaining property within the Special Tax District which is not exempt in order to yield the required debt service payments and other annual expenses of the Special Tax District, if any, subject to the provisions of the Rate and Method; and, be it

FURTHER RESOLVED, That the levy of the Special Tax in the Special Tax District shall be subject to the approval of the qualified electors of the Special Tax District at a special election, and the proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the Special Tax District, with each landowner having one vote for each acre or portion of an acre such landowner owns in the Special Tax District not exempt from the Special Tax; and, be it

FURTHER RESOLVED, That the Director, Department of Elections has reported that there were no registered voters in the boundaries of the proposed special tax district as of February 3, 2020; and, be it

FURTHER RESOLVED, That this Board of Supervisors has received and hereby approves, ratifies and accepts a Public Agency Statement and Consent executed by the Port Commission in which it declares that the City is a “landowner” in the Special Tax District (as defined in the Mello-Roos Act) and qualified elector for the Special Tax District because the property owned by the City within the proposed boundaries of the Special Tax District either will be (a) transferred by conveyance of the fee interest to private ownership for the construction of improvements, in which case the City agrees that such property will be subject to the special tax on the same basis as private property within the Special Tax District and affirmatively waives any defense based on the fact of public ownership to any action to foreclose on such property in the event of nonpayment of the special tax or (b) leased to a
nonexempt person or entity and, pursuant to Section 53340.1 of the Mello-Roos Act, the special tax will be levied on the leasehold interest and payable by the owner of the leasehold interest, a copy of which Public Agency Statement and Consent is on file with the Clerk of the Board of Supervisors in File No. ______________ and is incorporated herein by reference; and, be it

FURTHER RESOLVED, That a special tax shall be levied in the Future Annexation Area only with the Unanimous Approval of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed into the Special Tax District and in accordance with the procedure established by applicable law; and, be it

FURTHER RESOLVED, That it is the intention of this Board of Supervisors, acting as the legislative body of the Special Tax District, to cause bonds of the City and other debt (as defined in the Mello-Roos Act) to be issued for the Special Tax District pursuant to the Code to finance in whole or in part the construction and/or acquisition of the Facilities and the incidental expenses; and, be it

FURTHER RESOLVED, That such debt may include an agreement by the Special Tax District (or the City on behalf of the Special Tax District) to repay the City, acting by and through the Port Commission, for one or more advances of land proceeds and other sources of Port funding to pay the costs of the Facilities and incidental expenses (“Advances”), which repayment obligation (“Repayment Obligation”) may be evidenced by a promissory note ratified or executed by the Special Tax District (or the City on behalf of the Special Tax District) in favor of the Port Commission; and, be it

FURTHER RESOLVED, That the bonds and other debt shall be in the aggregate principal amount of not to exceed $3,700,000,000 (“Limit”), shall be issued in such series and bear interest payable semi-annually or in such other manner as this Board of Supervisors shall determine, at a rate not to exceed the maximum rate of interest as may be authorized by
applicable law at the time of sale of each series of bonds and other debt, and shall mature not
later than 40 years from the date of the issuance thereof; and, be it

FURTHER RESOLVED, That because the City expects to repay the Repayment
Obligation with, among other sources, Special Taxes and proceeds of bonded indebtedness
and other debt incurred by or on behalf of the Special Tax District, the Board of Supervisors
hereby determines that (i) the Repayment Obligation shall be included in the calculation of the
Limit and (ii) any such bonded indebtedness or other debt (as defined in the Mello-Roos Act)
incurred by or on behalf of the Special Tax District to repay the Repayment Obligation (and
the related costs of issuance and costs of funding a debt service reserve fund) shall not be
included in the calculation of the Limit; and, be it

FURTHER RESOLVED, That the Director, as the officer having charge and control of
the Facilities and the Services in and for the Special Tax District and the Future Annexation
Area, is hereby directed to study said proposed Facilities and Services and to make, or cause
to be made, and file with the Clerk of the Board of Supervisors a report in writing ("Special Tax
District Report") presenting the following:

(a) A description of the Facilities and the Services by type which will be required to
adequately meet the needs of the Special Tax District and the Future Annexation Area.

(b) An estimate of the fair and reasonable cost of the Facilities including the cost of
acquisition of lands, rights-of-way and easements, any physical facilities required in
conjunction therewith and incidental expenses in connection therewith, including the costs of
the proposed bond financing and other debt and all other related costs as provided in Mello-
Roos Act, Section 53345.3.

(c) An estimate of the fair and reasonable cost of the Services and incidental
expenses in connection therewith, and all other related costs.

Goodlett Place, San Francisco, California, are hereby fixed as the time and place when and where this Board of Supervisors, as the legislative body for the Special Tax District, will conduct a public hearing on the establishment of the Special Tax District and the Future Annexation Area, and consider and finally determine whether the public interest, convenience and necessity require the formation of the Special Tax District and the Future Annexation Area and the levy of the Special Tax; and, be it

and may provide, by resolution, for the use of those funds, including but not limited to pay any cost incurred by the local agency in creating the Special Tax District, and may agree to reimburse the advances under all of the following conditions: (A) the proposal to repay the advances is included both in the resolution of intention and the resolution of formation to establish the Special Tax District; and (B) any proposed special tax is approved by the qualified electors of the Special Tax District and, if the qualified electors of the Special Tax District do not approve the proposed special tax, the City shall return any funds which have not been committed for any authorized purpose by the time of the election and, in furtherance of Mello-Roos Act, Section 53314.9, the Board of Supervisors hereby declares its intent to enter into an agreement providing for the advance and reimbursement of funds between the Port and the Master Developer; and, be it

FURTHER RESOLVED, That Mello-Roos Act, Section 53314.9 provides that, either before or after formation of the Special Tax District, the City may accept work in-kind from any source, including, but not limited to, private persons or private entities, may provide, by resolution, for the use of that work in-kind for any authorized purpose and this Board of Supervisors may enter into an agreement, by resolution, with the person or entity advancing the work in-kind, to reimburse the person or entity for the value, or cost, whichever is less, of the work in-kind, as determined by this Board of Supervisors, with or without interest, under the conditions specified in the Mello-Roos Act; any work in-kind must be performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority of, the City and, in furtherance of Mello-Roos, Act Section 53314.9, the Board of Supervisors previously authorized the Port to enter into an acquisition and reimbursement agreement with the Master Developer and other entities responsible for developing the Project pursuant to the Mission Rock Project Resolution; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby waives any provisions of the Amended and Restated Local Goals and Policies for Community Facilities Districts and Special Tax Districts (“Goals and Policies”) adopted by this Board of Supervisors by Resolution No. 414-13 to the extent the Goals and Policies are inconsistent with the provisions hereof or the DDA; and, be it

FURTHER RESOLVED, That the Board of Supervisors hereby approves and ratifies the appointment of the Port as the CFD Agent (as defined in the DDA) for the Special Tax District and approves and ratifies all actions taken prior to the date hereof by the Port in its capacity as CFD Agent, including, but not limited to, execution of one or more promissory notes to evidence the Repayment Obligation and execution of one more pledge agreements with an infrastructure financing district to receive property tax revenues to repay the Repayment Obligation; and, be it

EXHIBIT B

CITY AND COUNTY OF SAN FRANCISCO

(Mission Rock Facilities and Services)

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

Special Taxes applicable to the Leasehold Interest in each Taxable Parcel in the City and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and Services) shall be levied and collected according to the tax liability determined by the Administrator through the application of the appropriate amount or rate for Leasehold Interests in Taxable Parcels, as described below. The Leasehold Interest in all Taxable Parcels in the STD shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to the STD.

If a Leasehold Interest terminates while a Special Tax that was previously levied remains unpaid, the owner of the successor Leasehold Interest will take the interest subject to the obligation to pay the unpaid Special Tax along with any applicable penalties and interest.

The City will covenant in each Indenture that, as long as any Bonds are outstanding, it will not terminate, and it will inhibit the Port from terminating, any Leasehold Interest in a Taxable Parcel unless the Port enters into a new lease the term of which ends on or after the final maturity date of the Bonds and that covers substantially the same real property and
improvements as the terminated lease. It will not be a violation of this covenant if the City or
the Port initiates judicial foreclosure of any such lease pursuant to the CFD Law.

B. DATA FOR STD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property or Undeveloped Property; (ii) the Planning Parcel and Tax Zone within which each Taxable Parcel is located; (iii) for Developed Property, the Market-Rate Residential Square Footage and Office Square Footage within each building; (iv) the Taxpayer for each Leasehold Interest in a Taxable Parcel; and (v) the Development Special Tax Requirement, Office Special Tax Requirement, Shoreline Special Tax Requirement, and, if applicable, Services Special Tax Requirement for the Fiscal Year.

When a Parcel becomes Developed Property, the Administrator and Review Authority shall reference the Permit for each building on the Parcel to determine the Market-Rate Residential Square Footage and/or Office Square Footage within the building(s). If the Market-Rate Residential Square Footage and/or Office Square Footage is not identified on the Permit, the square footage assumptions used in the appraisal prepared when the Vertical DDA and/or Parcel Lease for such Parcel was executed shall be used to determine Market-Rate Residential Square Footage and/or Office Square Footage within the building. If, after review of the Permit and appraisal, there is still no clear indication of the Market-Rate Residential Square Footage and/or Office Square Footage for a building, the Review Authority shall review the Development Approval Documents and make a determination as to the
amount of Market-Rate Residential Square Footage and/or Office Square Footage in the building.

When a Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as square footage within a building is designated for Exempt Uses, the Administrator shall compare the actual square footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which square footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in Market-Rate Residential Square Footage or Office Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C below.

The Administrator shall also: (i) coordinate with the Deputy Director to confirm Parcel Increment; (ii) coordinate with the Treasurer-Tax Collector’s Office to determine if there have been any Special Tax delinquencies or repayment of Special Tax delinquencies in prior Fiscal Years; (iii) review the Development Approval Documents and communicate with the Developer and Vertical Developers regarding proposed Land Use Changes; and (iv) upon each annexation, Land Use Change, and notification of Parcel Lease Execution Dates, update Attachment 3 to reflect the then-current Expected Land Uses, Expected Maximum
Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and
Expected Maximum Shoreline Special Tax Revenues. The Developer, Port, or Vertical
Developer shall notify the Administrator each time a Parcel Lease is executed in order for the
Administrator to keep track of Parcel Lease Execution Dates. In addition, the Port will: (i)
provide the Administrator with copies of all leases that establish a Leasehold Interest, (ii)
notify the Administrator of renewals of leases that establish a Leasehold Interest, and (iii)
identify the buildings, Parcels, and Square Footage subject to such leases that establish a
Leasehold Interest. Any time a lease on property within the STD is terminated, the Port will
immediately notify the Administrator of such termination.

Prior to the First Bond Sale, the Administrator, Port, Developer, and any Vertical
Developers shall coordinate to review the Expected Land Uses and determine if changes
should be made to reflect more current estimates for land uses on each Planning Parcel.
Based on this review, the Administrator shall update Attachment 3 with the then-current
Expected Land Uses and Expected Maximum Development Special Tax Revenues, Expected
Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax
Revenues, which will be used to size the sale of Bonds unless and until there are additional
updates of Attachment 3.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was
recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor
will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the
date the map or plan was recorded, the Assessor does not yet recognize the newly-created
Parcels, and (iii) one or more of the newly-created Parcels meets the definition of Developed
Property, the Administrator shall calculate the Special Taxes for the property affected by
recordation of the map or plan by determining the Special Taxes that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map or condominium plan.

C. MAXIMUM SPECIAL TAXES

In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which the boundaries of the Planning Parcels are not identical to the boundaries of the then-current Assessor’s Parcels, the Administrator shall review the Expected Land Uses for each Planning Parcel and assign the Maximum Special Taxes to the then-current Assessor’s Parcels. The Maximum Special Tax Revenues after such allocation shall not be less than the Maximum Special Tax Revenues prior to the allocation.

1. Undeveloped Property

1a. Development Special Tax, Office Special Tax, Shoreline Special Tax

The Maximum Development Special Tax, Maximum Office Special Tax, and Maximum Shoreline Special Tax for Leasehold Interests in Undeveloped Property in all Tax Zones shall be the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues shown in Attachment 3 of this RMA, as it may be amended as set forth herein.

1b. Contingent Services Special Tax
No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property in any Tax Zone within the STD.

2. Developed Property

2a. Development Special Tax

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Development Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates and different Square Footage Categories may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

**The Base Development Special Tax shown above for each Tax Zone shall be escalated as set forth in Section D.1.**

| Excess Exempt Square Footage | $8.58 per Excess Exempt Square Foot if Market-Rate Residential Square Footage was reduced or $6.50 per Excess Exempt Square Foot if Office Square Footage was reduced | $8.58 per Excess Exempt Square Foot if Market-Rate Residential Square Footage was reduced or $6.50 per Excess Exempt Square Foot if Office Square Footage was reduced |

**Step 1.** Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

**Step 2.** Multiply the applicable Base Development Special Tax from Table 1 by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage included in Leasehold Interests in the Taxable Parcel. Prior to the First Bond Sale, the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage and Office Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel.
Step 3. Compare the Estimated Base Development Special Tax Revenues from Step 2 to the Expected Maximum Development Special Tax Revenues, and, apply one of the following, as applicable:

If the Estimated Base Development Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Development Special Tax Revenues or (ii) less than the Expected Maximum Development Special Tax Revenues, but the Maximum Development Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Development Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Development Special Tax for Leasehold Interests in the Taxable Parcel shall be determined by multiplying the applicable Base Development Special Taxes by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage within each building on the Taxable Parcel. The Administrator shall update Attachment 3 to reflect the change in the Expected Maximum Development Special Tax Revenues.

If the Estimated Base Development Special Tax Revenues are less than the Expected Maximum Development Special Tax Revenues, and the Maximum Development Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Development Special Tax Revenues, are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer and Vertical Developer, and the Review Authority shall determine which of the following shall occur:

(i) the Base Development Special Taxes that were applied to Market-Rate Residential Square Footage and/or Office Square Footage in Step 2 shall be increased proportionately until the amount that can be levied on Leasehold Interests in the Taxable
1 Parcel, combined with the Expected Maximum Development Special Tax Revenues from all
2 other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, or
3
4     (ii) if Estimated Base Development Special Tax Revenues are less than the
5 Expected Maximum Development Special Tax Revenues due to Excess Exempt Square
6 Footage, then the Base Development Special Tax for Excess Exempt Square Footage shall
7 be levied against all Excess Exempt Square Footage included in Leasehold Interests in the
8 Taxable Parcel.
9
10 If, pursuant to (i) above, the Base Development Special Taxes are proportionately increased
11 to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates
12 to calculate the Maximum Development Special Tax for each building on the Taxable Parcel.
13 The Administrator shall revise Attachment 3 to reflect any changes to the Expected Land
14 Uses (including the addition of Excess Exempt Square Footage) and the Expected Maximum
15 Development Special Tax Revenues.
16
17 If, in any Fiscal Year, the Maximum Development Special Tax is determined for Leasehold
18 Interests in any Parcel of Developed Property for which a Permit had not yet been issued, and
19 if, when a Permit is issued for a building(s) on the Parcel, the Market-Rate Residential Square
20 Footage and/or Office Square Footage of such building(s) is different than that used to
21 determine the Maximum Development Special Tax, then the Administrator shall once again
22 apply Steps 1 through 3 in this Section C.2a to recalculate the Maximum Development
23 Special Tax for Leasehold Interests in the Parcel based on the Market-Rate Residential
24 Square Footage and/or Office Square Footage that was determined when the Permit was
25 issued.
The Administrator shall do a final check of the Market-Rate Residential Square Footage and Office Square Footage within each building when a Certificate of Occupancy is issued. Once again, if the Market-Rate Residential Square Footage and/or Office Square Footage is different than the Market-Rate Residential Square Footage and/or Office Square Footage that was used to determine the Maximum Development Special Tax after the Permit was issued, then the Administrator shall apply Steps 1 through 3 in this Section C.2a to recalculate the Maximum Development Special Tax for Leasehold Interests in the Parcel.

2b. Office Special Tax

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Office Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Office Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates and different Square Footage Categories may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

*The Base Shoreline Special Tax shown above for each Tax Zone shall be escalated as set forth in Section D.1.*

**Step 1.** Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

**Step 2.** Multiply the applicable Base Shoreline Special Tax from Table 3 by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage included in Leasehold Interests in the Taxable Parcel. Prior to the First Bond Sale, the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage and Office Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel.
Step 3. Compare the Estimated Base Shoreline Special Tax Revenues from Step 2 to the Expected Maximum Shoreline Special Tax Revenues, and, apply one of the following, as applicable:

If the Estimated Base Shoreline Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Shoreline Special Tax Revenues or (ii) less than the Expected Maximum Shoreline Special Tax Revenues, but the Maximum Shoreline Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Shoreline Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Shoreline Special Tax for Leasehold Interests in the Taxable Parcel shall be determined by multiplying the applicable Base Shoreline Special Taxes by the actual and/or expected Market-Rate Residential Square Footage and Office Square Footage within each building on the Taxable Parcel. The Administrator shall update Attachment 3 to reflect the change in the Expected Maximum Shoreline Special Tax Revenues.

If the Estimated Base Shoreline Special Tax Revenues are less than the Expected Maximum Shoreline Special Tax Revenues, and the Maximum Shoreline Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Shoreline Special Tax Revenues, are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer and Vertical Developer, and the Review Authority shall determine which of the following shall occur:

(i) the Base Shoreline Special Taxes that were applied to Market-Rate Residential Square Footage and/or Office Square Footage in Step 2 shall be increased proportionately until the amount that can be levied on Leasehold Interests in the Taxable Parcel, combined
with the Expected Maximum Shoreline Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, or

(ii) if Estimated Base Shoreline Special Tax Revenues are less than the Expected Maximum Shoreline Special Tax Revenues due to Excess Exempt Square Footage, then the Base Shoreline Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included in Leasehold Interests in the Taxable Parcel.

If, pursuant to (i) above, the Base Shoreline Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Shoreline Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachment 3 to reflect any changes to the Expected Land Uses (including the addition of Excess Exempt Square Footage) and the Expected Maximum Shoreline Special Tax Revenues.

If, in any Fiscal Year, the Maximum Shoreline Special Tax is determined for Leasehold Interests in any Parcel of Developed Property for which a Permit had not yet been issued, and if, when a Permit is issued for a building(s) on the Parcel, the Market-Rate Residential Square Footage and/or Office Square Footage of such building(s) is different than that used to determine the Maximum Shoreline Special Tax, then the Administrator shall once again apply Steps 1 through 3 in this Section C.2c to recalculate the Maximum Shoreline Special Tax for Leasehold Interests in the Parcel based on the Market-Rate Residential Square Footage and/or Office Square Footage that was determined when the Permit was issued.
The Administrator shall do a final check of the Market-Rate Residential Square Footage and Office Square Footage within each building when a Certificate of Occupancy is issued. Once again, if the Market-Rate Residential Square Footage and/or Office Square Footage is different than the Market-Rate Residential Square Footage and/or Office Square Footage that was used to determine the Maximum Shoreline Special Tax after the Permit was issued, then the Administrator shall apply Steps 1 through 3 in this Section C.2c to recalculate the Maximum Shoreline Special Tax for Leasehold Interests in the Parcel.

2d. Contingent Services Special Tax

In the first Fiscal Year after the Fiscal Year in which the Trigger Event occurs, and in each Fiscal Year thereafter, this Section C.2d shall be applied to determine the Contingent Services Special Tax for each Taxable Parcel in the STD.

When a Taxable Parcel in Tax Zone 1 or Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 4 below and apply the steps set forth in this Section 2d to determine the Maximum Contingent Services Special Tax for Leasehold Interests in the Taxable Parcel. For property that annexes into the CFD, different maximum rates may be established by creating a separate Tax Zone for such annexed property. Alternatively, property may be annexed into Tax Zones that were established prior to the annexation, and such property shall be subject to the Maximum Special Taxes applicable to that Tax Zone.

* The Base Contingent Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.

**Step 1.** Identify the Market-Rate Residential Square Footage, Office Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel pursuant to Section B above.

**Step 2.** Multiply the applicable Base Contingent Services Special Tax from Table 4 by the actual and/or expected Market-Rate Residential Square Footage, Office Square Footage, and Excess Exempt Square Footage included in Leasehold Interests in the Taxable Parcel. The Maximum Contingent Services Special Tax for Leasehold Interests in the Taxable Parcel shall be the sum of the amounts calculated for Market-Rate Residential Square Footage, Office Square Footage, and Excess Exempt Square Footage.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Permit has been issued as Developed Property, and any remaining buildings for which Permits have not yet been issued shall not be...
subject to a Contingent Services Special Tax until a Permit is issued for such remaining buildings. To determine the Contingent Services Special Tax for any such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

D.  CHANGES TO THE MAXIMUM SPECIAL TAXES

1.  Annual Escalation of Development Special Tax, Office Special Tax, and Shoreline Special Tax

Beginning July 1, 2020 and each July 1 thereafter, each of the following amounts shall be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Development Special Tax for each Tax Zone; the Base Office Special Tax for each Tax Zone; the Base Shoreline Special Tax for each Tax Zone; the Expected Maximum Development Special Tax Revenues, the Expected Maximum Office Special Tax Revenues, and the Expected Maximum Shoreline Special Tax Revenues in Attachment 3; and the Maximum Development Special Tax, the Maximum Office Special Tax, and the Maximum Shoreline Special Tax assigned to the Leasehold Interests in each Taxable Parcel.

2.  Annual Escalation of Contingent Services Special Tax

Beginning July 1, 2020 and each July 1 thereafter, the Base Contingent Services Special Tax for each Tax Zone and the Maximum Contingent Services Special Tax assigned to the Leasehold Interests in each Taxable Parcel shall be adjusted by the Escalator.
3. Changes in Square Footage Category on a Parcel of Developed Property

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, as determined by the Review Authority, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the new square footage within each Square Footage Category; if the First Bond Sale has not yet occurred, this amount shall be the Maximum Special Tax for Leasehold Interests in the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to Leasehold Interests in the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to Leasehold Interests in the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated for each new Square Footage Category. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Special Tax for Leasehold Interests in the Parcel. Under no circumstances shall the Maximum Special Tax on Leasehold Interests in any Parcel of Developed Property be reduced, regardless of changes in Square Footage Category or square footage on the Parcel, including reductions in square footage that may occur due to demolition, fire, water damage, or acts of God.

4. Changes to Planning Parcels and Expected Land Uses
If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, as determined by the Review Authority, the Administrator shall update the Expected Land Uses and Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator will request updated Attachments 1 and 2 from the Developer. Updated attachments shall be maintained by the Administrator for purposes of applying this RMA, and such updates shall not require recordation of an amended RMA.

If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected Vertical Developers to review the proposed changes and evaluate the impact on the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. If the Administrator determines that such changes will not reduce Required Coverage on Bonds that have been or will be issued, the Port will decide whether to allow the proposed changes and corresponding redistribution of the Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. If such changes are permitted, the Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the Developer. Updated attachments shall be maintained by the Administrator for purposes of applying this RMA, and such updates shall not require recordation of an amended RMA. If the Administrator determines that the
proposed changes will reduce Required Coverage on Bonds that have been issued, the Port
will not permit the changes.

5. Reduction in Maximum Development Special Taxes Prior to First Bond Sale

Prior to the First Bond Sale, if the City, Port and Developer determine that assumptions
that were factored into estimates of Tax Increment at STD Formation have changed, and the
estimated Tax Increment is expected to be lower than the original estimates, the Port and
Developer may agree to a proportional or disproportional reduction in the Base Development
Special Tax as set forth in Section 4.5(e) of the Financing Plan. If the parties agree to such a
reduction, the Port will direct the Administrator to use the reduced Base Development Special
Tax for purposes of levying the taxes pursuant to this RMA, and an amended Notice of
Special Tax Lien reflecting the reduction will be recorded against all Taxable Parcels within
the STD. The reduction shall be made without a vote of the qualified STD electors.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to
annex property into the STD, the Administrator shall apply the following steps as part of the
annexation proceedings:

Step 1. Working with Port staff, the Administrator shall determine the Expected
Land Uses for the area to be annexed and the Tax Zone into which the property will be
placed.
Step 2. The Administrator shall prepare or have prepared updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses, Expected Maximum Development Special Tax Revenues, Expected Maximum Office Special Tax Revenues, and Expected Maximum Shoreline Special Tax Revenues. After the annexation is complete, the application of this RMA shall be based on the adjusted Expected Land Uses and Maximum Development Special Tax Revenues, Maximum Office Special Tax Revenues, and Maximum Shoreline Special Tax Revenues, as applicable, including the newly annexed property.

Step 3. The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. Development Special Tax

Each Fiscal Year, the Administrator shall determine the Development Special Tax Requirement for the Fiscal Year, and the Development Special Tax shall be levied according to the steps outlined below:

Step 1. The Administrator shall determine the Development Special Tax to be levied on Leasehold Interests in each Taxable Parcel of Developed Property, as follows:
Step 1a. Calculate the Maximum Development Special Tax for each Leasehold Interest in each Parcel of Developed Property.

Step 1b. In consultation with the City, determine which Parcels of Developed Property are Assessed Parcels.

Step 1c. For all Parcels of Developed Property that are not Assessed Parcels, levy the Maximum Development Special Tax on Leasehold Interests in such Parcels. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Step 1d. For all Assessed Parcels:

Step 1dA. Determine the amount of the Parcel Increment.

Step 1dB. If the total amount of Parcel Increment available is equal to or greater than the total aggregate Maximum Development Special Taxes for all Assessed Parcels, then the levy on each Assessed Parcel shall be zero ($0).

Step 1dC. If the total amount of Parcel Increment available is less than the aggregate Maximum Development Special Taxes for all Assessed Parcels, the Administrator shall apply the appropriate sub-step below:

Substep 1dC(i). If, after coordination with the City and Port, the Administrator is provided with a breakdown of Parcel Increment on a Parcel-by-Parcel basis in time for submission of the Special Tax levy, the Administrator shall determine the net tax levy on
Leasehold Interests in each Assessed Parcel (the “Net Assessed Parcel Tax Levy”) by taking the following steps in the following order of priority: (i) subtract from the Maximum Development Special Tax for each Assessed Parcel the amount of Parcel Increment generated from the applicable Assessed Parcel, and (ii) for each Assessed Parcel whose tax levy was not reduced to $0 pursuant to item (i) in this paragraph, apply any remaining Parcel Increment that was not applied pursuant to item (i) in this paragraph to each such Assessed Parcel on a pro rata basis (based on the Assessed Parcel’s net remaining tax levy as a percentage of the aggregate net remaining tax levy for all Assessed Parcels for which Parcel Increment was insufficient to pay the full amount of the Assessed Parcel’s Maximum Development Special Tax). The Administrator shall levy on Leasehold Interests in each Assessed Parcel the Net Assessed Parcel Tax Levy for such Assessed Parcel. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

Substep 1dC(ii). If, after coordination with the City and Port, the Administrator determines that a breakdown of Parcel Increment on a Parcel-by-Parcel basis cannot be provided in time for submission of the Special Tax levy, the Administrator shall determine the net tax levy on the Leasehold Interest in each Assessed Parcel (the “Net Assessed Parcel Tax Levy”) by subtracting from the Maximum Development Special Tax for each Assessed Parcel a pro rata share of the Parcel Increment, with such pro rata share determined based on each Assessed Parcel’s Maximum Development Special Tax as a percentage of the aggregate Maximum Development Special Tax for all Assessed Parcels in the STD. The Administrator shall levy on the Leasehold Interest in each Assessed Parcel the Net Assessed Parcel Tax Levy for such Assessed Parcel. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.
The Review Authority shall make the final determination regarding available Parcel Increment, the Maximum Development Special Tax that applies to a Parcel based on the Leasehold Interests in the Parcel, and the application of Parcel Increment pursuant to Substeps 1dC(i). and 1dC(ii) above.

**Step 2.** After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Development Special Tax Requirement after Capitalized Interest has been applied to reduce the Development Special Tax Requirement, the Development Special Tax shall be levied Proportionately on Leasehold Interests in each Taxable Parcel of Undeveloped Property, in an amount up to 100% of the Maximum Development Special Tax for Leasehold Interests in each Taxable Parcel of Undeveloped Property for such Fiscal Year.

**2. Office Special Tax**

Each Fiscal Year, the Administrator shall determine the Office Special Tax Requirement for the Fiscal Year, and the Office Special Tax shall be levied according to the steps outlined below:

**Step 1.** Levy the Maximum Office Special Tax on Leasehold Interests in each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

**Step 2.** After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Office Special Tax Requirement after Capitalized Interest has been applied to reduce the Office Special Tax Requirement, the Office Special Tax shall be levied
3. **Shoreline Special Tax**

Each Fiscal Year, the Administrator shall determine the Shoreline Special Tax Requirement for the Fiscal Year, and the Shoreline Special Tax shall be levied according to the steps outlined below:

**Step 1.** Levy the Maximum Shoreline Special Tax on Leasehold Interests in each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied pursuant to the Financing Plan.

**Step 2.** After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Shoreline Special Tax Requirement after Capitalized Interest has been applied to reduce the Shoreline Special Tax Requirement, the Shoreline Special Tax shall be levied Proportionately on Leasehold Interests in each Taxable Parcel of Undeveloped Property, in an amount up to 100% of the Maximum Shoreline Special Tax for Leasehold Interests in each Taxable Parcel of Undeveloped Property for such Fiscal Year.

4. **Contingent Services Special Tax**

Each Fiscal Year after the Fiscal Year in which the Trigger Event occurs, the Administrator shall coordinate with the City and the Port to determine the Services Special
Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied proportionately on Leasehold Interests in each Taxable Parcel of Developed Property, in an amount up to 100% of the Maximum Contingent Services Special Tax for Leasehold Interests in each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Contingent Services Special Tax may not be levied on Undeveloped Property.

G. COLLECTION OF SPECIAL TAXES

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on Leasehold Interests to be levied on the secured roll. The Special Tax bill for any Taxable Parcel subject to a Leasehold Interest will be sent to the same party that receives the possessory interest tax bill associated with the Leasehold Interest unless it is sent directly to the Taxpayer.

In calculating the Development Special Tax Requirement, Office Special Tax Requirement, or Shoreline Special Tax Requirement, under no circumstances may the Development Special Tax, Office Special Tax, or Shoreline Special Tax that is levied on a Leasehold Interest in a Taxable Parcel in a Fiscal Year be increased by more than ten percent (10%) of the respective Maximum Development Special Tax, Maximum Office Special Tax, or Maximum Shoreline Special Tax for that Parcel (or such lesser amount required by the CFD
Law) as a consequence of delinquency or default in payment of Special Taxes levied on Leasehold Interests in another Parcel(s) in the STD (the “Delinquency Levy”).

The Delinquency Levy, if any, is determined when calculating the Development Special Tax Requirement. Accordingly, when determining the levy of Development Special Taxes on Leasehold Interests in Assessed Parcels pursuant to Step 1 of Section F.1, the Delinquency Levy, if any, has already been applied and, therefore, the Administrator shall not levy any additional Delinquency Levy on an Assessed Parcel that has its Development Special Tax levy reduced or eliminated by Parcel Increment.

The Development Special Tax shall be levied and collected on Leasehold Interests in each Taxable Parcel until the earlier of: (i) the Fiscal Year in which the Port determines that all Authorized Expenditures that will be funded by the STD have been funded and all Development Special Tax Bonds have been fully repaid; (ii) the Fiscal Year after the Fiscal Year in which Tax Increment is no longer collected within the Sub-Project Area within which the Taxable Parcel is located and all Development Special Tax Bonds have been fully repaid, as determined by the Administrator with direction from the Deputy Director; and (iii) Fiscal Year 2093-94.

The Office Special Tax and the Shoreline Special Tax shall be levied on and collected from Leasehold Interests in each Taxable Parcel for 120 Fiscal Years.

Beginning in the first Fiscal Year after the Fiscal Year in which the Trigger Event occurs, the Contingent Services Special Tax shall be levied and collected in perpetuity.
H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes will be levied on fee simple interests in the STD, including Tax-Exempt Port Parcels.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any Taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the Taxpayer’s application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the Taxpayer shall have no appeal to the Board from the decision of the Administrator.
The filing of an application or an appeal shall not relieve the Taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a Taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.
