Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. The Board of Supervisors (“Board”) of the City hereby finds and declares as follows:

A. On June 5, 2018, the voters of the City and County of San Francisco (“City”) approved Proposition A (“Proposition A”), which among other things, authorized the Commission to issue revenue bonds, including notes, commercial paper or other forms of indebtedness, when authorized by ordinance approved by a two-thirds vote of the Board of
Supervisors, for the purpose of reconstructing, replacing, expanding, repairing or improving water facilities, clean water facilities or power facilities or combinations of water, clean water facilities and power facilities under the jurisdiction of the Commission, or for any lawful purpose of the water, clean water and power facilities; and

B. The Commission adopted the Indenture dated as of May 1, 2015, as further amended and supplemented from time to time (“Indenture”), between the Commission and U. S. Bank National Association and in connection therewith, has from time to time issued power revenue bonds to finance projects benefitting the Power Enterprise; and

C. By Resolution 23-0038, adopted by the Commission on February 14, 2023 (“Commission Resolution”) the Commission has determined to issue Power Revenue Bonds (“Power Revenue Bonds”) and other forms of indebtedness (including without limitation state and federal loan programs as described below), as well as interim funding vehicles such as commercial paper, revolving credit agreements, bond anticipation notes or other forms of notes, which interim funding vehicles will be issued in advance of being paid off by either Power Revenue Bonds and other forms of indebtedness (including without limitation state and federal loan programs) to finance the costs of various capital projects benefitting the Power Enterprise (the "Capital Improvement Projects" such projects being more fully described in the Commission Resolution), pursuant to Proposition A, and has formally requested this Board to authorize the issuance and sale of Power Revenue Bonds and other forms of indebtedness for such purposes, such Commission Resolution being on file with the Clerk of the Board in File No. __________; and

D. In order to finance the costs of the Capital Improvement Projects, the Board now desires to authorize the issuance and sale of Power Revenue Bonds and other forms of indebtedness, as described above, for such purposes, including obtaining SRF Loans and/or
grants from the State Water Resources Control Board, or other loans under other federal loan programs;

E. This Board, on behalf of the Commission, adopts this Ordinance as official action of the Commission in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of Commission expenditures incurred prior to the date of issue of the Power Revenue Bonds and other forms of indebtedness (including, without limitation and for illustrative purposes only, SRF Loans, commercial paper, revolving credit agreements, and bond anticipation notes).

Section 2. Authorization to Issue Power Revenue Bonds and other forms of indebtedness. The Board hereby authorize the issuance and sale of taxable or tax-exempt Power Revenue Bonds and other forms of indebtedness (including, without limitation and for illustrative purposes only, SRF Loans, commercial paper, revolving credit agreements, and bond anticipation notes) in one or more series from time to time by the Commission pursuant to the Charter, including Proposition A, in an aggregate principal amount not to exceed $41,031,367 (inclusive of financing costs), at a maximum rate or rates of interest of not to exceed twelve percent (12%) per annum to finance a portion of the costs of the design, acquisition and construction of the Capital Improvement Projects.

Section 3. Authorization to Issue Power Revenue Refunding Bonds; Commercial Paper Retirement. Notwithstanding Section 2 immediately above, the Board further authorizes and approves the issuance by the Commission of Power Revenue Refunding Bonds (“Refunding Bonds”) without limitation as to principal amount, in one or more series on one or more dates, at a maximum interest rate or rates of interest not to exceed twelve percent (12%) per annum, provided that each such Refunding Bond issue is permitted under the applicable policies and procedures of the City and authorized by Section 9.109 of the Charter (including related ordinances and resolutions of the Board). The Refunding Bonds
may be issued as taxable or tax-exempt obligations, or any combination thereof. Refunding Bonds authorized hereunder shall be subject to the further following conditions, that: (i) three percent (3%) net present value debt service savings or greater is achieved to ensure ratepayer savings (exclusive of any issuance to refund commercial paper, revolving credit notes, or bond anticipation notes); (ii) that the maturity of the refunded bonds is not extended; (iii) this authorization is subject to a 5-year term through June 30, 2028, at which time this Board may consider an extension; principal payments and term may be adjusted, where permitted under federal and state tax law, only if and when the underlying capital asset funded through said refunded bonds has a useful life not in excess of any limit permitted under federal and state tax law than the refunded term; and (iv) the Commission shall within 30 days of any executed refunding transaction provide a refunding savings report ("Bond Refunding Savings Report") prepared by its financial advisors (that reflects at least a three percent (3%) net present value debt service savings) to the Board, together with a copy of the final Official Statement (if any) with respect to such series of Refunding Bonds, provided that the failure to deliver such Bond Refunding Savings Report shall in no way affect the validity of any Refunding Bonds. Notwithstanding the foregoing, the Commission is authorized to issue Refunding Bonds for non-economic factors, including by way of illustration, eliminating onerous covenants and obsolete provisions contained in the Commission’s indenture or other security documents. The Commission shall request a waiver of the savings requirement for any Refunding Bonds issued for non-economic reasons. In furtherance of the purpose of managing the Commission outstanding indebtedness, the General Manager is hereby authorized and directed, in consultation the City Attorney, from Available Power Enterprise Revenues to retire outstanding Power Enterprise Commercial Paper at such times and in such amounts advantageous to the Commission.
Section 4. Declaration of Official Intent. The Board, on behalf of the Commission, hereby declares the official intent of the Commission to reimburse the Commission with proceeds of the Power Revenue Bonds or other forms of indebtedness (including SRF Loans or other federal loans, commercial paper, revolving credit notes, or bond anticipation notes) for the Expenditures with respect to the Capital Improvement Projects made on and after a date that is no more than 60 days prior to the adoption of this Ordinance. The Commission reasonably expects on the date hereof that it will reimburse the Expenditures with proceeds of the Power Revenue Bonds or other forms of indebtedness (including, without limitation and for illustrative purposes only, SRF Loans, commercial paper, revolving credit notes or bond anticipation notes). Each said Expenditure was and will be either (A) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (B) a cost of issuance with respect to such obligations, (C) a nonrecurring item that is not customarily payable from current revenues, or (D) a grant to pay a party that is not related to or an agent of the issuer so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Commission. The Commission will make a reimbursement allocation, which is a written allocation by the Issuer that evidences the Commission’s use of proceeds of the Power Revenue Bonds or other forms of indebtedness to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the component of the Capital Improvement Projects is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The Commission recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.
Section 5. General Authority. The Controller, Treasurer, the City Attorney and other officers of the City and their duly authorized deputies and agents are hereby authorized and directed, jointly and severally, to take such actions and to execute and deliver such certificates, agreements, requests or other documents, as they may deem necessary or desirable to facilitate the issuance, sale and delivery of the Power Revenue Bonds, Refunding Bonds, to obtain bond insurance or other credit enhancements with respect to such obligations, to obtain surety, to obtain title and other insurance with respect to the facilities to be financed, and otherwise to carry out the provisions of this Ordinance. The Commission is hereby directed to provide the final form to the Clerk of the Board of any disclosure document prepared in connection with the execution of any Power Revenue Bonds or Refunding Bonds, and the final executed Installment Sale Agreement or other document reflecting the incurrence of an SRF Loan or loan under eligible federal program, within 30 days of the closing of such transactions.

Section 6. Ratification of Prior Actions. All actions authorized and directed by this Ordinance in connection with the issuance of the Power Revenue Bonds or other forms of indebtedness, Refunding Bonds, and heretofore taken are hereby ratified, approved and confirmed by this Board.

Section 7. File Documents. All documents referred to as on file with the Clerk of the Board are in File Nos. ____.
Section 8.  Effective Date.  Pursuant to Charter Section 8B.124, this Ordinance shall take effect thirty (30) days after its adoption.
