Section 2. Authorization to Issue Wastewater Revenue Bonds and other forms of indebtedness. The Board hereby authorizes the issuance and sale of Wastewater Revenue Bonds in one or more series from time to time by the Commission pursuant to Proposition E and in accordance with the Commission Resolution and the execution and delivery of SRF Loan or WIFIA Loan agreements or the issuance of commercial paper, revolving credit notes, or bond anticipation notes, in an aggregate principal amount not to exceed $1,047,288,286 (inclusive of financing costs) bearing a maximum rate or rates of interest of not to exceed twelve percent (12%) per annum to finance a portion of the costs of the design, acquisition and construction of the Capital Improvement Projects. Without limiting the foregoing, the Commission shall be authorized to incur SRF Loans from the State Water Resources Control Board or WIFIA Loans from the U.S. Environmental Protection Agency at such time, in such amounts, and upon such other terms and conditions as the Commission may deem advantageous. The Commission is hereby further authorized to determine the timing, amount and manner of sale (i.e., competitive or negotiated) of each series of Wastewater Revenue Bonds, commercial paper, revolving credit notes, or bond anticipation notes pursuant to this authorization; provided however, the Commission’s authorization to issue Wastewater Revenue Bonds or incur other forms of indebtedness (including SRF Loans, WIFIA Loans,
bond anticipation notes, commercial paper or revolving credit notes) is subject to approval by
the Commission of the form of substantially final offering document related to such obligations
(if any) and the approval of any related agreements, financing documents and the filing with
its Board and the Clerk of the Board any certifications required by Proposition E prior to the
issuance of any bonds or the incurrence of any indebtedness herein authorized. The
Commission shall also file, within 30 days of any bond sale authorized hereby, with the Clerk
of the Board of Supervisors a report showing the results of the sale of Wastewater Revenue
Bonds, SRF Loans or other form of indebtedness including (i) principal amount sold and
method of sale, (ii) true interest cost, (iii) final maturity, (iv) the facilities constructed and/or
improved, and (v) a statement about the remaining bonding authorization under this
Ordinance (“Bond Report”); provided however that failure to file the Bond Report shall not
affect the validity of any bonds authorized hereunder.

Section 3. Authorization to Issue Wastewater Revenue Refunding Bonds;
Commercial Paper Retirement. Notwithstanding Section 2 immediately above, the Board
further authorizes and approves the issuance by the Commission of Wastewater Revenue
Refunding Bonds (“Refunding Bonds”) without limitation as to principal amount, in one or
more series on one or more dates, at a maximum interest rate or rates of interest not to
exceed twelve percent (12%) per annum, provided that each such Refunding Bond issue is
permitted under the applicable policies and procedures of the City and authorized by Section
9.109 of the Charter (including related ordinances and resolutions of the Board). The
Refunding Bonds may be issued as taxable or tax-exempt obligations, or any combination
thereof. Refunding Bonds s authorized hereunder shall be subject to the further following
conditions, that: (i) three percent (3%) net present value debt service savings or greater is
achieved to ensure ratepayer savings (exclusive of any issuance to refund commercial paper,
revolving credit notes, or bond anticipation notes); (ii) that the maturity of the refunded bonds
is not extended; (iii) this authorization is subject to a 5-year term through June 30, 2028, at which time this Board may consider an extension; principal payments and term may be adjusted, where permitted under federal and state tax law, only if and when the underlying capital asset funded through said refunded bonds has a useful life not in excess of any limit permitted under federal and state tax law than the refunded term; and (iv) the Commission shall within 30 days of any executed refunding transaction provide a refunding savings report ("Bond Refunding Savings Report") prepared by its financial advisors (that reflects at least a three percent (3%) net present value debt service savings) to the Board, together with a copy of the final Official Statement (if any) with respect to such series of Refunding Bonds, provided that the failure to deliver such Bond Refunding Savings Report shall in no way affect the validity of any Refunding Bonds. Notwithstanding the foregoing, the Commission is authorized to issue Refunding Bonds for non-economic factors, including by way of illustration, eliminating onerous covenants and obsolete provisions contained in the Commission’s indenture or other security documents. The Commission shall request a waiver of the savings requirement for any Refunding Bonds issued for non-economic reasons. In furtherance of the purpose of managing the Commission outstanding indebtedness, the General Manager is hereby authorized and directed, in consultation the City Attorney, from Available Wastewater Enterprise Revenues to retire outstanding Wastewater Enterprise Commercial Paper at such times and in such amounts advantageous to the Commission.

Section 4. Declaration of Official Intent. The Board, on behalf of the Commission, hereby declares the official intent of the Commission to reimburse the Commission with proceeds of the Wastewater Revenue Bonds or other forms of indebtedness (including SRF Loans or other federal loans, commercial paper, revolving credit notes, or bond anticipation notes) for the Expenditures with respect to the Capital Improvement Projects made on and after a date that is no more than 60 days prior to the adoption of this Ordinance. The
Commission reasonably expects on the date hereof that it will reimburse the Expenditures with proceeds of the Wastewater Revenue Bonds or other forms of indebtedness (including, without limitation and for illustrative purposes only, SRF Loans, commercial paper, revolving credit notes or bond anticipation notes). Each said Expenditure was and will be either (A) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (B) a cost of issuance with respect to such obligations, (C) a nonrecurring item that is not customarily payable from current revenues, or (D) a grant to pay a party that is not related to or an agent of the issuer so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Commission. The Commission will make a reimbursement allocation, which is a written allocation by the Issuer that evidences the Commission’s use of proceeds of the Wastewater Revenue Bonds or other forms of indebtedness to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the component of the Capital Improvement Projects is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The Commission recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain de minimis amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 5. General Authority. The Controller, Treasurer, the City Attorney and other officers of the City, including the Director of the Office of Public Finance, and their duly authorized deputies and agents are hereby authorized and directed, jointly and severally, to take such actions and to execute and deliver such certificates, agreements, requests or other documents, as they may deem necessary or desirable to facilitate the issuance, sale and delivery of the Wastewater Revenue Bonds, SRF Loans, WIFIA Loans, bond anticipation
notes, commercial paper or Refunding Bonds, to obtain bond insurance or other credit or liquidity enhancements with respect to any such obligations, and otherwise to carry out the provisions of this Ordinance. The Commission is hereby directed to provide the final form to the Clerk of the Board of any disclosure document (if any) prepared in connection with the execution of any Wastewater Revenue Bonds, SRF Loans, WIFIA Loans, bond anticipation notes, commercial paper or Refunding Bonds, and the final executed Installment Sale Agreement or other document reflecting the incurrence of an SRF Loan or a WIFIA Loan, within 30 days of the closing of such transactions; provided however that failure to provide such document shall not affect the validity of the obligations authorized hereunder. The Commission is further directed as a part of the two-year budget review to provide to this Board of Supervisors a written report about Wastewater Revenue Bonds authorized hereunder, detailing the total amount authorized, the total amount sold, the remaining authorized but unissued amount, and the bond authorization no longer necessary due to changes in projects and project financing.

Section 6. Ratification of Prior Actions. All actions authorized and directed by this Ordinance in connection with the issuance of the Wastewater Revenue Bonds or other forms of indebtedness (including, without limitation and for illustrative purposes only, SRF Loans, WIFIA Loans, bond anticipation notes or commercial paper), Refunding Bonds, and heretofore taken are hereby ratified, approved and confirmed by this Board.

Section 7. File Documents. All documents referred to as on file with the Clerk of the Board are in File Nos. ____________.
Section 8. Effective Date. Pursuant to Charter Section 8B.124, the remainder of this Ordinance shall take effect thirty (30) days after its adoption.
