If the Controller or the Director of Public Finance determines to sell the Certificates by negotiated sale, the Controller or the Director of Public Finance is hereby authorized, and each may select a designee who is authorized, to sell the Certificates by negotiated sale pursuant to one or more Purchase Contracts by and between the City and the underwriter or underwriters named therein; provided, however, that the underwriters’ discount under any such Purchase Contract shall not exceed one-half of one percent (0.5%) of the principal amount of the Certificates. The form of Purchase Contract, as presented to the Board, a copy of which is on file with the Clerk, is hereby approved.
Section 12. Authorization to Appoint Underwriters. To accomplish the sale of the Certificates by negotiated sale, if applicable, the Controller or the Director of Public Finance is hereby authorized to appoint one or more financial institutions to act as underwriter(s) for the Certificates in accordance with City policies and procedures, including but not limited to the City’s policy to provide locally disadvantaged business enterprises an equal opportunity to participate in the performance of all City contracts.

Section 13. Approval of the Official Statement in Preliminary and Final Form. The form of an official statement relating to the Certificates (“Official Statement”), as presented to this Board, a copy of which is on file in preliminary form with the Clerk, is hereby approved. The Controller is hereby authorized to approve the preliminary Official Statement in substantially said form, with such changes, additions, modifications (including but not limited to the inclusion of the most current City financial information) or deletions as such official may make or approve in accordance with Section 20 hereof, and to deem the preliminary Official Statement final for purposes of the Rule 15c2-12 of the Securities and Exchange Act of 1934, as amended, to execute, and to designate the Director of Public Finance to execute in his, her or their stead, a certificate to that effect, and to cause the preliminary Official Statement to be delivered, in printed or electronic form, to potential purchasers of the Certificates, such approval to be conclusively evidenced by the delivery of said deemed-final certificate. The Controller is hereby further authorized and directed to sign and deliver the Official Statement in final form to purchasers of the Certificates.

Section 14. Approval of the Continuing Disclosure Certificate. The form of a Continuing Disclosure Certificate of the City relating to the Certificates, as presented to
the Board, a copy of which is on file with the Clerk, is hereby approved. The Controller
or the Director of Public Finance is hereby authorized to execute the Continuing
Disclosure Certificate, with such changes, additions, modifications or deletions as the
Controller or the Director of Public Finance may approve upon consultation with the City
Attorney; such approval to be conclusively evidenced by the execution and delivery of
the Continuing Disclosure Certificate.

Section 15. Sale and Award of Certificates by Direct Placement. In the event
the Director of Public Finance determines to sell the Certificates by direct placement,
the Director of Public Finance, on behalf of the Controller, is hereby authorized and
directed to receive bids for the purchase of the Certificates, and the Controller is hereby
authorized and directed to award the Certificates to the bidder whose bid represents the
lowest true interest cost to the City.

Section 16. Authorization to Appoint Placement Agents. To accomplish the sale
of the Certificates by direct placement, if applicable, the Controller or the Director of
Public Finance is hereby authorized to appoint one or more financial institutions to act
as placement agent(s) for the Certificates in accordance with City policies and
procedures, including but not limited to the City’s policy to provide locally disadvantaged
business enterprises an equal opportunity to participate in the performance of all City
contracts.

Section 17. Reimbursement. The City declares its official intent to reimburse
prior expenditures of the City incurred prior to the execution and delivery of the
Certificates in connection with the Project or portions thereof with the proceeds of the
Certificates. The Board of Supervisors declares the City's intent to reimburse the City with the proceeds of the Certificates for the expenditures with respect to the Project ("Expenditures" and each, an "Expenditure") made on and after that date that is no more than 60 days prior to adoption of this Ordinance. The City reasonably expects on the date of adoption of this Ordinance that it will reimburse the Expenditures with the proceeds of the Certificates.

Section 18. Terms of Reimbursement. Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Certificates, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City. The maximum aggregate principal amount of the Certificates expected to be executed and delivered for the Project is $[146,800,000]. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City's use of proceeds of the Certificates to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three (3) years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain de minimis amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least five (5) years.
Section 19. General Authority. The Mayor, the Treasurer, the City Attorney, the Controller, the City Administrator, the Director of Public Finance, the Clerk and other officers of the City and their duly authorized deputies, designees and agents are hereby authorized and directed, jointly and severally, to take such actions and to execute and deliver such certificates, agreements, requests or other documents as they may deem necessary or desirable to accomplish the purposes of this Ordinance, including but not limited to the execution and delivery of any Supplement to Property Lease, any Supplement to Project Lease, any Supplement to Trust Agreement, the Official Statement, one or more Purchase Contracts, the Continuing Disclosure Certificate and the Certificates, to obtain bond insurance or other credit enhancements and/or a surety policy with respect to the Certificates, to obtain title insurance, to clear any encumbrances to title and to carry out other title work. Any such actions are solely intended to further the purposes of this Ordinance and are subject in all respects to the terms of this Ordinance. No such actions shall increase the risk to the City or require the City to spend any resources not otherwise granted herein. Final versions of any such documents shall be provided to the Clerk for inclusion in the official file within 30 days of execution (or as soon thereafter as final documents are available) by all parties.

Section 20. Modifications, Changes and Additions. The Mayor, the Treasurer, the Controller and the Director of Public Finance each are hereby authorized, and each may select a designee who is authorized, to make such modifications, changes and additions to the documents and agreements approved hereby, upon consultation with the City Attorney, as may be necessary or desirable and in the interests of the City, and which changes do not materially increase the City’s obligations or reduce its rights thereunder or hereunder. The respective official’s approval of such modifications,
changes and additions shall be conclusively evidenced by the execution and delivery by such official and the Clerk of the applicable Supplement to Property Lease, Supplement to Project Lease and Supplement to Trust Agreement, one or more Purchase Contracts or any of the other documents approved in this Ordinance. Any such actions are solely intended to further the purposes of this Ordinance and are subject in all respects to the terms of this Ordinance. No such actions shall increase the risk to the City or require the City to spend any resources not otherwise granted herein. Final versions of any such documents shall be provided to the Clerk for inclusion in the official file within 30 days (or as soon thereafter as final documents are available) of execution by all parties.

Section 21. Partial Invalidity. Any provision of this Ordinance found to be prohibited by law shall be ineffective only to the extent of such prohibition, and shall not invalidate the remainder of this Ordinance.

Section 22. Effective Date. This Ordinance shall take effect immediately.

Section 23. Ratification of Prior Actions. All actions authorized consistent with any documents presented herein and approved by this Ordinance but heretofore taken are hereby ratified, approved and confirmed by the Board.
