

## **Concrete Building Safety Program**

Stakeholder Working Group Meeting #5

April 27, 2023

1:00 p.m. to 3:00 p.m.

---

### **Meeting Objectives**

1. Members understand the Process Streamlining subgroup's proposed approach to streamlining processes to lessen various stakeholder pain points that may be caused by the implementation of a Concrete Building Safety Program (CBSP). The working group develops a first draft list of recommendations related to Process Streamlining.
2. Members understand the landscape of considerations for how the City might approach Temporary Tenant Relocation, as informed by Temporary Tenant Relocation subgroup presentations. The City receives feedback from members on their priorities for temporarily relocating tenants.
3. The City receives feedback from members on the new in-person meeting format and subgroups.

---

### **Meeting Agenda**

#### **1. Welcome from City Administrator, Meeting Recap & Agenda (20 min)**

#### **2. Process Streamlining: Recommendations & Discussion (30 min)**

*Presentation of Process Streamlining Subgroup Recommendations, followed by Working Group member discussion and feedback.*

#### **3. Break (10 min)**

#### **4. Temporary Tenant Relocation: Presentation, Considerations & Discussion (45 min)**

*Presentation of examples and considerations for how the City might approach Temporary Tenant Relocation and discussion of where and when in CBSP program development to make decisions.*

#### **5. Wrap Up & Next Steps (15 min)**

*Discuss what worked and what didn't work about subgroups and tee up next topics for participation.*
