[General Obligation Bond Election - Affordable Housing - Not to Exceed $300,000,000]

Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, March 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not-to-exceed $300,000,000 to finance the construction, reconstruction, development, acquisition, improvement, rehabilitation, preservation, and repair of rental affordable housing projects, and to expand homeownership opportunities through the Downpayment Assistance Loan Program; and related costs necessary or convenient for the foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase to residential tenants under Administrative Code Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating the provisions of the Administrative Code relating to the Citizens’ General Obligation Bond Oversight Committee’s review of Affordable Housing Bond expenditures; setting certain procedures and requirements for the election; affirming a determination under the California Environmental Quality Act; and finding that the proposed Bond is consistent with the General Plan, and with the eight priority policies of Planning Code, Section 101.1.

NOTE: Unchanged Code text and uncodified text are in plain Arial font. Additions to Codes are in single-underline italics Times New Roman font. Deletions to Codes are in strikethrough italics Times New Roman font. Board amendment additions are in double-underlined Arial font. Board amendment deletions are in strikethrough Arial font. Be it ordained by the People of the City and County of San Francisco:

///
Section 1. Findings.

A. The City and County of San Francisco ("City")'s General Plan 2022 Housing Element ("2022 Housing Element") details the City's goals, objectives, and corresponding policies and programs to meet the housing needs of all San Francisco residents, with a focus on racial and social equity. This includes the objective to substantially expand the amount of affordable housing for extremely low- to moderate-income households and expand housing opportunities for middle-income households (as defined in Section 3 below) (2022 Housing Element, Objectives 4.A and 4.B), as well as the requirement for San Francisco to plan for and support the production of 46,598 affordable housing units over the next eight years as mandated by the Regional Housing Needs Allocation Plan.

B. The U.S Department of Housing and Urban Development (HUD) considers housing to be "affordable" when a household spends 30 percent or less of its income on housing costs, including rent and utilities. By this definition, the median condominium price of $1.2 million is affordable to households making $222,000 annually. Less than 25 percent of San Francisco households earn this income and less than 10 percent of San Francisco workers have this salary. In 2022, the median rent for a 2-bedroom was $3,800, affordable to a household earning $137,000; less than 40 percent of San Francisco households earn this income. (2022 Housing Element, Goal 4).

C. The need for affordable housing was severely exacerbated during the COVID-19 pandemic, when the City's unemployment rate rose to 13 percent in April 2020 from 2.2 percent in February 2020. As a result, the City invested in policies and programs to support residents at risk of eviction, foreclosure, and displacement due to loss of income related to the pandemic. These investments included (i) establishment of the Emergency Rental Assistance Program, (ii) expansion of the Homeowner Emergency Loan Program, and (iii) issuance of a moratorium on evictions due to nonpayment of rent.
D. While these policies and programs provided temporary support, overwhelming demand far exceeded and continues to exceed the City’s available resources. The City’s economy is still recovering from the pandemic, and the impacts of the pandemic will have lasting effects, particularly for families and individuals that were disproportionately impacted by the pandemic (2022 Housing Element, Figure 33).

E. The City’s ability to produce the affordable rental housing it needs has been significantly impacted by the limited availability of state and federal resources. From 2018 to 2022, for every $1 of local funding invested by the City to create affordable housing, the City’s affordable housing projects received $2 in funding from state and federal sources. As detailed in the 2024 Affordable Housing Bond Report, the economic environment for affordable housing has changed significantly in recent years, with state affordable housing funding programs becoming more competitive and severely oversubscribed, including the state’s allocation of volume cap for tax-exempt housing revenue bonds.

F. The City contributes significant resources to ensure project delivery. San Francisco voters have approved measures to create local funds dedicated to the construction, preservation, and rehabilitation of affordable housing, including the 2012 Housing Trust Fund and affordable housing general obligation bonds in 2015 and 2019. The City’s local funds from the 2015 and 2019 bonds are projected to be exhausted by 2028 (2024 Affordable Housing Bond Report). Additional sources of affordable housing funds from the City’s impact fees have been decreasing due to the economic environment, such as the Jobs-Housing Linkage Fee (Planning Code, Sec. 413), the Inclusionary Affordable Housing Program (Planning Code, Sec. 415), various development agreements, and other impact fees. Funding from such sources decreased by 95 percent between Fiscal Year 2019-2020 and Fiscal Year 2021-2022. Moreover, the Office of the Controller’s FY 2023-2024 and 2024-2025 Revenue
Letter projects only modest tax revenue growth over the coming years, severely limiting the amount of resources the City will have to fund the development of affordable housing.

G. The City’s economic future and ongoing recovery will ultimately depend on its ability to produce and preserve enough affordable housing to ensure the City’s economically diverse households can equitably access housing and remain stably housed in San Francisco. Failure to meet this need will result in the displacement of more households to areas with more affordable housing. This displacement could result in (i) greater disparity between above moderate-income and lower-income households in the City with little change to the City’s median income levels as determined by the U.S. Census Bureau; and (ii) long commutes, road congestion, and environmental harm as people seek affordable housing at greater distances from where they work.

H. The proposed Bond is recommended by the City’s 10-year capital plan, approved each odd-numbered year by the Mayor of the City and this Board of Supervisors of the City (“Board”).

I. The proposed Bond will provide a portion of the critical funding necessary to construct, reconstruct, develop, acquire, improve, rehabilitate, repair, and preserve rental affordable housing projects in the City, and to expand homeownership opportunities for San Franciscans (as further defined in Section 3 below).

Section 2. A special election is called and ordered to be held in the City on Tuesday, March 5, 2024, for the purpose of submitting to the electors of the City a proposition to incur bonded indebtedness of the City for the programs described in the amount and for the purposes stated (herein collectively, the “Project”):

"SAN FRANCISCO AFFORDABLE HOUSING BONDS. $300,000,000 to construct, reconstruct, develop, acquire, improve, rehabilitate, repair, and preserve housing that will be affordable to households ranging from extremely low-income to moderate-income households;
and to expand downpayment assistance loan programs for eligible households, including middle-income households, to support first-time homebuyers who would otherwise not be able to purchase a primary residence in San Francisco; with a duration of up to 30 years from the time of issuance, an estimated average tax rate of $0.019/$100 of assessed property value, and projected average annual revenues of $50,000,000, all subject to independent citizen oversight and regular audits; and authorizing landlords to pass-through to residential tenants in units subject to Administrative Code Chapter 37 (the "Residential Rent Stabilization and Arbitration Ordinance") 50 percent of the increase in the real property taxes attributable to the cost of the repayment of such Bonds.

The special election called and ordered to be held hereby shall be referred to in this ordinance as the "Bond Special Election."

Section 3. PROPOSED PROGRAM. The City intends to allocate the Bond proceeds described below to provide to extremely low-, very low-, lower-, moderate- and middle-income households in San Francisco affordable housing rental and homeownership opportunities in accordance with policies and programs set forth by the 2022 Housing Element. "Median Income" is the median income for the City and County of San Francisco determined annually by the Mayor’s Office of Housing and Community Development ("MOHCD"), adjusted solely for household size, and derived in part from the income limits and area median income determined by HUD for the San Francisco Metro Fair Market Rent Area, but not adjusted for a high housing cost area. For this Bond, income levels are defined as follows: households earning up to 30 percent of Median Income are “extremely low-income”; households earning up to 50 percent of Median Income are “very low-income”; households earning up to 80 percent of Median Income are “lower-income households”; households earning up to 120 percent of Median Income are “moderate-income households”; and
households earning 120 percent to 200 percent of Median Income are “middle-income households.” Contractors and City departments shall comply with all applicable City laws when awarding contracts or performing work funded with the proceeds of Bonds authorized by this measure.

A. CONSTRUCTION: Up to $258,000,000 of Bond proceeds will be allocated to construct, reconstruct, develop, acquire, rehabilitate, repair, and improve new affordable rental housing serving extremely low-income households, very low-income households, and lower-income households.

B. PRESERVATION: Up to $30,000,000 of Bond proceeds will be allocated to acquire, construct, reconstruct, repair, develop, and rehabilitate, and improve rental housing, so as to preserve it as affordable for lower-income households and moderate-income households.

C. DOWNPAYMENT ASSISTANCE: Up to $12,000,000 of Bond proceeds will be allocated to expand the City’s Downpayment Assistance Loan Program to assist prospective first-time homebuyers who would otherwise not be able to purchase a market-rate residence in San Francisco. This portion of the Bond shall be allocated to MOHCD’s existing programs that provide downpayment assistance loans to eligible households earning up to 200 percent of Median Income, including loans to assist middle-income households described in 2022 Housing Element Objective 4.B.

D. CITIZENS’ OVERSIGHT COMMITTEE. A portion of the Bond shall be used to perform audits of the Bond, as further described in Section 4 and Section 15 below.

Section 4. BOND ACCOUNTABILITY MEASURES.

The Bonds shall include the following administrative rules and principles:

A. OVERSIGHT. The proposed Bond funds shall be subject to approval processes and rules described in the San Francisco Charter and Administrative Code. Pursuant to
Administrative Code Section 5.31, the Citizens’ General Obligation Bond Oversight Committee shall conduct an annual review of Bond spending, and shall provide an annual report of the Bond program to the Mayor and the Board.

B. TRANSPARENCY. The City shall create and maintain a web page outlining and describing the bond program, progress, and activity updates. The City shall also hold an annual public hearing and review on the bond program and its implementation before the Capital Planning Committee and the Citizens’ General Obligation Bond Oversight Committee.

Section 5. The estimated cost of the bond-financed portion of the project described in Section 2 above was fixed by the Board by the following Resolution and in the amount specified below:

Resolution No. ________, on file with the Clerk of the Board in File No. ______ $300,000,000.

Such resolution was passed by two-thirds or more of the Board and approved by the Mayor. In such resolution it was recited and found by the Board that the sum of money specified is too great to be paid out of the ordinary annual income and revenue of the City in addition to the other annual expenses or other funds derived from taxes levied for those purposes and will require expenditures greater than the amount allowed by the annual tax levy.

The method and manner of payment of the estimated costs described in this ordinance are by the issuance of Bonds by the City not exceeding the principal amount specified.

Such estimate of costs as set forth in such resolution is adopted and determined to be the estimated cost of such bond-financed improvements and financing, respectively.

Section 6. The Bond Special Election shall be held and conducted and the votes received and canvassed, and the returns made and the results ascertained, determined, and declared as provided in this ordinance and in all particulars not recited in this ordinance such
election shall be held according to the laws of the State of California (“State”) and the Charter
of the City (“Charter”) and any regulations adopted under State law or the Charter, providing
for and governing elections in the City, and the polls for such election shall be and remain
open during the time required by such laws and regulations.

Section 7. The Bond Special Election is consolidated with the Presidential Primary
Election scheduled to be held in the City on Tuesday, March 5, 2024 (“Presidential Primary
Election”). The voting precincts, polling places, and officers of election for the Presidential
Primary Election are hereby adopted, established, designated, and named, respectively, as
the voting precincts, polling places, and officers of election for the Bond Special Election
called, and reference is made to the notice of election setting forth the voting precincts, polling
places, and officers of election for the Presidential Primary Election by the Director of
Elections to be published in the official newspaper of the City on the date required under the
laws of the State.

Section 8. The ballots to be used at the Bond Special Election shall be the ballots to
be used at the Presidential Primary Election. The word limit for ballot propositions imposed by
Municipal Elections Code Section 510 is waived. On the ballots to be used at the Bond
Special Election, in addition to any other matter required by law to be printed thereon, shall
appear the following as a separate proposition:

"SAN FRANCISCO AFFORDABLE HOUSING BONDS. To construct, reconstruct,
repair, develop, acquire, improve, rehabilitate, and preserve housing that will be affordable to
households ranging from extremely low-income to moderate-income households; and to
expand downpayment assistance loan programs for eligible households, including middle-
income households, to support first-time homebuyers who would otherwise not be able to
purchase a primary residence in San Francisco; shall the City and County of San Francisco
issue $300,000,000 in general obligation bonds with a duration of up to 30 years from the time
of issuance, an estimated average tax rate of \[ \$0.019/\$100 \text{ of assessed property value, and} \]
projected average annual revenues of \$50,000,000\]

\$0.0057/\$100 \text{ of assessed property value, and projected average annual revenues of } \$25,000,000, \text{ subject to independent citizen oversight and regular audits?}"

The City's current debt management policy is to maintain the property tax rate for City general obligation bonds below the 2006 rate by issuing new general obligation bonds as older ones are retired and the tax base grows, though this property tax rate may vary based on other factors.

Each voter to vote in favor of the foregoing bond proposition shall mark the ballot in the location corresponding to a "YES" vote for the proposition, and to vote against the proposition shall mark the ballot in the location corresponding to a "NO" vote for the proposition.

Section 9. If at the Bond Special Election it shall appear that two-thirds of all the voters voting on the proposition voted in favor of and authorized the incurring of bonded indebtedness for the purposes set forth in such proposition, then such proposition shall have been accepted by the electors, and the Bonds authorized shall be issued upon the order of the Board. Such Bonds shall bear interest at a rate not exceeding that permitted by law.

The votes cast for and against the proposition shall be counted separately and when two-thirds of the qualified electors, voting on the proposition, vote in favor, the proposition shall be deemed adopted.

Section 10. The actual expenditure of Bond proceeds provided for in this ordinance shall be net of financing costs.

Section 11. For the purpose of paying the principal and interest on the Bonds, the Board shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy and collect annually each year until such Bonds are paid, or until there is a sum in the Treasury of the City, or other account held on behalf of the Treasurer of the City,
set apart for that purpose to meet all sums coming due for the principal and interest on the Bonds, a tax sufficient to pay the annual interest on such Bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such principal.

Section 12. This ordinance shall be published in accordance with any State law requirements, and such publication shall constitute notice of the Bond Special Election and no other notice of the Bond Special Election hereby called need be given.

Section 13. The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Section 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. ___ and is incorporated herein by reference. The Board affirms this determination.

Section 14. On __________, the Planning Department issued its General Plan Referral Report finding that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said General Plan Referral Report is on file with the Clerk of the Board of Supervisors in File No. __________, and is incorporated herein by reference.

Section 15. Under Section 53410 of the California Government Code, the Bonds shall be for the specific purpose authorized in this ordinance and the proceeds of such Bonds will be applied only for such specific purpose. The City will comply with the requirements of Sections 53410(c) and 53410(d) of the California Government Code.

Section 15. The Bonds are subject to, and incorporate by reference, the applicable provisions of Administrative Code Sections 5.30-5.36 (the "Citizens’ General Obligation Bond
Oversight Committee”). Under Administrative Code Section 5.31, to the extent permitted by law, 0.1% of the gross proceeds of the Bonds shall be deposited in a fund established by the Controller’s Office and appropriated by the Board of Supervisors at the direction of the Citizens’ General Obligation Bond Oversight Committee to cover the costs of such committee.

Section 16. The time requirements specified in Administrative Code Section 2.34 are waived.

Section 17. The City hereby declares its official intent to reimburse prior expenditures of the City incurred or expected to be incurred prior to the issuance and sale of any series of the Bonds in connection with the Project. The Board hereby declares the City’s intent to reimburse the City with the proceeds of the Bonds for expenditures with respect to the Project (the “Expenditures” and each, an “Expenditure”) made on and after that date that is no more than 60 days prior to the passage of this ordinance. The City reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Bonds.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, or (c) a nonrecurring item that is not customarily payable from current revenues. The maximum aggregate principal amount of the Bonds expected to be issued for the Project is $300,000,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City’s use of proceeds of the applicable series of Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the related portion of the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis
amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and Expenditures for construction projects of at least five years.

Section 18. Landlords may pass through to residential tenants under the Residential Rent Stabilization and Arbitration Ordinance (Administrative Code Chapter 37) 50 percent of any property tax increase that may result from the issuance of Bonds authorized by this ordinance. The City may enact ordinances authorizing tenants to seek waivers from the pass-through based on financial hardship.

Section 19. The appropriate officers, employees, representatives, and agents of the City are hereby authorized and directed to do everything necessary or desirable to accomplish the calling and holding of the Bond Special Election, and to otherwise carry out the provisions of this ordinance.

Section 20. Documents referenced in this ordinance are on file with the Clerk of the Board of Supervisors in File No. _______, which is hereby declared to be a part of this ordinance as if set forth fully herein.
