

Concrete Building Safety Program

Stakeholder Working Group Meeting #7

Aug 10, 2023

12pm-2pm PST City Hall Room #305

Meeting Objectives

- The Working Group aligns around the Guiding Principles that were shared at the June meeting to help guide decision making and recommendations or the Executive Panel in October.
 - The Working Group gets updates on the Communications and Financing subgroups activities that occurred since the last meeting.
 - The Working Group brainstorms solutions for addressing some of the considerations from Communications & Financing to move closer to a set of recommendations that will go to the Executive Panel.
-
