Admin Code Sec 3.20. Amendment

Changing Capital Plan updates from odd-years to even-years

- ▣ Currently the Capital Plan is updated every odd year (current Plan was approved in **April 2025**)
- ▣ The change in the Mayoral election schedule (from odd years to even years – *Prop H, 2022*) means that a new Mayor must adopt a new Capital Plan very soon after taking office
- ▣ The proposed change in Capital Plan update schedule will ensure that ORCP is able to fully engage the Mayor's Office during the Capital Plan process, ensure that Mayoral priorities are reflected, and ensure that the City's 10-year Capital Plan remains relevant
- ▣ The change in schedule will also align better with Enterprise Depts. Capital Plan update cycle
- ▣ With this amendment, the next Capital Plan would be approved in **April 2028** and cover the 10 years from **FY2029 – 2040**
