

FILE NO.

ORDINANCE NO.

[General Obligation Bond Election - Earthquake Safety and Emergency Response - Not to Exceed \$535,000,000]

Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, June 2, 2026, for the purpose of submitting to San Francisco voters a proposition to incur bonded debt of the City and County of \$535,000,000 to finance the construction, acquisition, improvement, rehabilitation, renovation, expansion, and seismic retrofitting of the Emergency Firefighting Water System, Firefighting Facilities and Infrastructure, Police Facilities and Infrastructure, transportation facilities for the Municipal Railway (“Muni”) Bus Storage and Maintenance Facility at Potrero Yard, and other Public Safety Facilities and Infrastructure for earthquake and public safety and related costs necessary or convenient for the foregoing purposes (collectively, the “ESER Facilities”); authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants in accordance with Chapter 37 of the Administrative Code; finding that the estimated cost of such proposed ESER Facilities is and will be too great to be paid out of the ordinary annual income and revenue of the City and County and will require expenditures greater than the amount allowed therefor by the annual tax levy; reciting the estimated cost of such proposed ESER Facilities; fixing the date of election and the manner of holding such election and the procedure for voting for or against the proposition; fixing the maximum rate of interest on such bonds and providing for the levy and collection of taxes to pay both principal and interest; prescribing notice to be given of such election; finding that portions of the bond proposal are not a “project” under CEQA and adopting findings under the California Environmental Quality Act (“CEQA”) and adopting findings under CEQA for the remaining portion of the bond proposal; finding that the bond proposal is in conformity with the eight priority policies

1 of Planning Code Section 101.1(b) and is consistent with the General Plan;
2 consolidating the special election with the general election; establishing the election
3 precincts, voting places, and officers for the election;
4 waiving the word limitation on ballot propositions imposed by Municipal Elections
5 Code Section 510; complying with the restrictions on the use of bond proceeds
6 specified in Section 53410 of the California Government Code; incorporating the
7 provisions of the Administrative Code, Sections 5.30–5.36; and waiving the time
8 requirements specified in Section 2.34 of the Administrative Code.
9

10 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
11 **Additions to Codes** are in *single-underline italics Times New Roman font*.
12 **Deletions to Codes** are in *~~strikethrough italics Times New Roman font~~*.
13 **Board amendment additions** are in double-underlined Arial font.
14 **Board amendment deletions** are in ~~strikethrough Arial font~~.
15 **Asterisks (* * * *)** indicate the omission of unchanged Code
16 subsections or parts of tables.

15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. Findings.

17 A. This Board of Supervisors (“Board”) recognizes the need to safeguard and
18 enhance the City’s earthquake safety and emergency response and recovery by rehabilitating
19 and improving critical facilities that support the City’s first responders and providing reliable
20 public transportation after a major seismic event.

21 B. The Earthquake Safety and Emergency Response Bond (“Bond”) will provide
22 funding to construct, improve, rehabilitate, replace, or expand earthquake safety and
23 emergency responsiveness facilities and infrastructure, and critical transportation facilities and
24 infrastructure (as described below in Section 3).
25

1 C. This Board now wishes to describe the terms of a ballot measure seeking
2 approval for the issuance of general obligation bonds to finance all or a portion of the City's
3 earthquake safety and response needs as described below.

4 Section 2. A special election is called and ordered to be held in the City on Tuesday,
5 the 2nd day of June 2026, for the purpose of submitting to the electors of the City a
6 proposition to incur bonded indebtedness of the City for the project described in the amount
7 and for the purposes stated:

8 "SAN FRANCISCO EARTHQUAKE SAFETY AND EMERGENCY RESPONSE BOND,
9 2026. \$535,000,000 of bonded indebtedness to improve fire, earthquake, and emergency
10 response by retrofitting, improving, expanding, constructing, and/or replacing: deteriorating
11 pipes, tunnels, and related facilities to ensure firefighters can access enough water to fight
12 fires from a major disaster or emergency; unsafe or deteriorating emergency response
13 facilities, including neighborhood fire stations, critical transportation facilities, and public safety
14 facilities; and to pay related costs, with a duration up to 30 years from the time of issuance, an
15 estimated average tax rate of \$.0075/\$100 of assessed property value, and estimated
16 average annual revenues of \$35,900,000, subject to independent citizen oversight and
17 regular audits; and authorizing landlords to pass-through to residential tenants in units subject
18 to Chapter 37 of the Administrative Code ("Residential Stabilization and Arbitration
19 Ordinance") 50% of the increase, if any, in the real property taxes attributable to the cost of
20 the repayment of the bonds."

21 The special election called and ordered shall be referred to in this ordinance as the
22 "Bond Special Election."

23 Section 3. PROPOSED PROGRAM. All contracts that are funded with the proceeds of
24 bonds authorized hereby shall be subject to the provisions of Chapter 83 of the Administrative
25 Code ("First Source Hiring Program"), which fosters construction and permanent employment

1 opportunities for qualified economically disadvantaged individuals. In addition, all contracts
2 that are funded with the proceeds of bonds authorized hereby also shall be subject to the
3 provisions of Chapter 14B of the Administrative Code (“Local Business Enterprise and Non-
4 Discrimination in Contracting Ordinance”), which assists small and micro local businesses to
5 increase their ability to compete effectively for the award of City contracts. The proposed
6 program can be summarized as follows:

7 A. EMERGENCY FIREFIGHTING WATER SYSTEM. Up to \$130,000,000 of the
8 Bond shall be allocated to the renovation, seismic upgrading, improvement, or expansion of
9 the emergency firefighting water system (“EFWS”) and related facilities, including but not
10 limited to cisterns, pipes and tunnels, and related facilities (collectively, the “EFWS Project”).

11 B. FIREFIGHTING FACILITIES AND INFRASTRUCTURE. Up to \$100,000,000 of
12 the Bond shall be allocated to the construction, acquisition, improvement, renovation,
13 retrofitting, or replacement of critical firefighting facilities and infrastructure for earthquake
14 safety and emergency response, including without limitation, neighborhood fire stations, and
15 supporting facilities (collectively, the “Firefighting Facilities and Infrastructure”).

16 C. POLICE FACILITIES AND INFRASTRUCTURE. Up to \$72,000,000 of the Bond
17 shall be allocated to the construction, acquisition, improvement, renovation, retrofitting, or
18 replacement of police facilities and infrastructure for earthquake safety and emergency
19 response, including without limitation, neighborhood police stations and supporting facilities
20 (collectively, the “Police Facilities and Infrastructure”).

21 D. MUNI BUS STORAGE AND MAINTENANCE FACILITY AT POTRERO YARD.
22 Up to \$200,000,000 of the Bond shall be allocated to construct, acquire, improve, replace, or
23 retrofit critical transportation facilities and infrastructure, including replacing the existing
24 Potrero Yard, a 110-year-old, bus storage and maintenance facility that is seismically unsafe
25 and outmoded with a seismically resilient facility designed to store and maintain Muni vehicles

1 and support continued transit operations after a major earthquake (collectively, the “Muni Bus
2 Storage and Maintenance Facility at Potrero Yard”).

3 E. PUBLIC SAFETY FACILITIES AND INFRASTRUCTURE. Subject to a process
4 developed by the Office of Resilience of Capital Planning, and approval by the Capital
5 Planning Committee, up to \$33,000,000 of the Bond shall be allocated to the repair,
6 improvement, renovation or retrofitting of public safety facilities and infrastructure (collectively,
7 the “Public Safety Facilities and Infrastructure”).

8 F. CITIZEN'S OVERSIGHT COMMITTEE. A portion of the Bond shall be used to
9 perform audits of the Bond, as further described in Section 15.

10 The proposed uses described in this Section 3 are subject, without limitation, to review
11 and revision by the Mayor and the Board.

12 Section 4. BOND ACCOUNTABILITY MEASURES

13 The Bond shall include the following administrative rules and principles:

14 A. OVERSIGHT. The proposed bond funds shall be subjected to approval
15 processes and rules described in the Charter and Administrative Code. Pursuant to
16 Administrative Code Section 5.31, the Citizen’s General Obligation Bond Oversight
17 Committee shall conduct an annual review of bond spending and shall provide an annual
18 report of the bond program to the Mayor and the Board of Supervisors.

19 B. TRANSPARENCY. The City shall create and maintain a Web page outlining and
20 describing the bond program, progress, and activity updates. The City shall hold an annual
21 public hearing and review on the bond program and its implementation before the Capital
22 Planning Committee. The City shall also hold periodic public hearings and reviews on the
23 bond program and its implementation before the Police and Fire Commissions and the
24 Citizen’s General Obligation Bond Oversight Committee.

1 Section 5. The estimated cost of the bond financed portion of the project described in
2 Section 2 above was fixed by the Board by the following resolution and in the amount
3 specified below:

4 Resolution No. _____, \$535,000,000.

5 Such resolution was passed by two-thirds or more of the Board and approved by the
6 Mayor of the City ("Mayor"). In such resolution it was recited and found by the Board that the
7 sum of money specified is too great to be paid out of the ordinary annual income and revenue
8 of the City in addition to the other annual expenses or other funds derived from taxes levied
9 for those purposes and will require expenditures greater than the amount allowed by the
10 annual tax levy.

11 The method and manner of payment of the estimated costs described in this ordinance
12 are by the issuance of bonds of the City not exceeding the principal amount specified.

13 Such estimate of costs as set forth in such resolution is adopted and determined to be
14 the estimated cost of such bond-financed improvements and financing, as designed to date.

15 Section 6. The Bond Special Election shall be held and conducted and the votes
16 received and canvassed, and the returns made and the results ascertained, determined and
17 declared as provided in this ordinance and in all particulars not recited in this ordinance such
18 election shall be held according to the laws of the State of California ("State") and the Charter
19 of the City ("Charter") and any regulations adopted under State law or the Charter, providing
20 for and governing elections in the City, and the polls for such election shall be and remain
21 open during the time required by such laws and regulations.

22 Section 7. The Bond Special Election is consolidated with the General Election
23 scheduled to be held in the City on Tuesday, June 2, 2026. The voting precincts, polling
24 places and officers of election for the June 2, 2026 General Election are hereby adopted,
25 established, designated and named, respectively, as the voting precincts, polling places and

1 officers of election for the Bond Special Election called, and reference is made to the notice of
2 election setting forth the voting precincts, polling places and officers of election for the June 2,
3 2026 General Election by the Director of Elections to be published in the official newspaper of
4 the City on the date required under the laws of the State of California.

5 Section 8. The ballots to be used at the Bond Special Election shall be the ballots to
6 be used at the June 2, 2026, General Election. The word limit for ballot propositions imposed
7 by Municipal Elections Code Section 510 is waived. On the ballots to be used at the Bond
8 Special Election, in addition to any other matter required by law to be printed thereon, shall
9 appear the following as a separate proposition:

10 "SAN FRANCISCO EARTHQUAKE SAFETY AND EMERGENCY RESPONSE BOND,
11 2026. To improve fire, earthquake, and emergency response by retrofitting, improving,
12 expanding, constructing, and/or replacing: deteriorating pipes, tunnels, and related facilities to
13 ensure firefighters can access enough water to fight fires from a major disaster or emergency;
14 unsafe or deteriorating emergency response facilities, including neighborhood fire stations,
15 critical transportation facilities, and public safety facilities; and to pay related costs, shall the
16 City and County of San Francisco issue \$535,000,000 in general obligation bonds, with a
17 duration up to 30 years from the time of issuance, an estimated average tax rate of
18 \$.0075/\$100 of assessed property value, and estimated average annual revenues of
19 \$35,900,000, subject to independent citizen oversight and regular audits?

20 The City's current debt management policy is to keep the property tax rate for City
21 general obligation bonds below the 2006 rate by issuing new bonds as older ones are retired
22 and the tax base grows, though this property tax rate may vary based on other factors."

23 In accordance with Chapter 37 of the Administrative Code, landlords are hereby
24 authorized to pass-through 50% of the resulting property tax increase, if any, to residential
25

1 tenants if the proposed measure is approved by two-thirds of the all the voters voting on the
2 measure.

3 Each voter to vote in favor of the issuance of the foregoing bond proposition shall mark
4 the ballot in the location corresponding to a "YES" vote for the proposition, and to vote against
5 the proposition shall mark the ballot in the location corresponding to a "NO" vote for the
6 proposition.

7 Section 9. If at the Bond Special Election it shall appear that two-thirds of all the voters
8 voting on the proposition voted in favor of and authorized the incurring of bonded
9 indebtedness for the purposes set forth in such proposition, then such proposition shall have
10 been accepted by the electors, and bonds authorized shall be issued upon the order of the
11 Board. Such bonds shall bear interest at a rate not exceeding applicable legal limits.
12 The votes cast for and against the proposition shall be counted separately and when two-
13 thirds of the qualified electors, voting on the proposition, vote in favor, the proposition shall be
14 deemed adopted.

15 Section 10. For the purpose of paying the principal and interest on the bonds, the
16 Board shall, at the time of fixing the general tax levy and in the manner provided by law, levy
17 and collect annually each year until such bonds are paid, or until there is a sum in the
18 Treasury of said City, or other account held on behalf of the Treasurer of said City, set apart
19 for that purpose to meet all sums coming due for the principal and interest on the bonds, a tax
20 sufficient to pay the annual interest on such bonds as the same becomes due and also such
21 part of the principal thereof as shall become due before the proceeds of a tax levied at the
22 time for making the next general tax levy can be made available for the payment of such
23 principal.

1 Section 11. This ordinance shall be published in accordance with any State law
2 requirements, and such publication shall constitute notice of the Bond Special Election, and
3 no other notice of the Bond Special Election hereby called need be given.

4 Section 12. The Board, having reviewed the proposed legislation, makes the following
5 findings in compliance with the California Environmental Quality Act ("CEQA"), California
6 Public Resources Code Sections 21000 et seq., the CEQA Guidelines, 14 California Code of
7 Regulations Sections 15000 et seq., ("CEQA Guidelines"), and Administrative Code Chapter
8 31 ("Chapter 31"):

9 (i) EFWS Project. For the reasons set forth in the letter from the
10 Environmental Review Officer of the Planning Department, dated _____, a copy of
11 which is on file with the Clerk of the Board in File No. _____ and incorporated by reference,
12 the Board finds that the bond proposal as it relates to funds for the EFWS Project is not
13 subject to CEQA because as the establishment of a government financing mechanism that
14 does not involve any commitment to specific projects to be constructed with the funds, it is not
15 a project as defined by CEQA and the CEQA Guidelines. The use of bond proceeds to
16 finance any project or portion of any project with funds for the EFWS Project portion of the
17 Bond will be subject to approval of the Board upon completion of planning and any further
18 required environmental review under CEQA for the individual EFWS projects.

19 (ii) Firefighting Facilities and Infrastructure. For the reasons set forth in the
20 letter from the Environmental Review Officer of the Planning Department, dated
21 _____, a copy of which is on file with the Clerk of the Board in File No. _____
22 and incorporated by reference, the Board finds that the bond proposal as it relates to funds for
23 Firefighting Facilities and Infrastructure is not subject to CEQA because as the establishment
24 of a government financing mechanism that does not involve any commitment to specific
25 projects to be constructed with the funds, it is not identified a project as defined by CEQA and

1 the CEQA Guidelines. The use of bond proceeds to finance any project or portion of any
2 project with funds for the Firefighting Facilities and Infrastructure portion of the Bond will be
3 subject to approval of the Board upon completion of planning and any further required
4 environmental review under CEQA for the individual Firefighting Facilities and Infrastructure
5 projects.

6 (iii) Police Facilities and Infrastructure. For the reasons set forth in the letter
7 from the Environmental Review Officer of the Planning Department, _____ a
8 copy of which is on file with the Clerk of the Board in File No. _____ and
9 incorporated by reference, the Board finds that the bond proposal as it relates to funds for
10 Police Facilities and Infrastructure is not subject to CEQA because as the establishment of a
11 government financing mechanism that does not involve any commitment to specific projects to
12 be constructed with the funds, it is not a project as defined by CEQA and the CEQA
13 Guidelines. The use of bond proceeds to finance any project or portion of any project with
14 funds for the Police Facilities and Infrastructure portion of the Bond will be subject to approval
15 of the Board upon completion of planning and any further required environmental review
16 under CEQA for the individual Police Facilities and Infrastructure projects.

17 (iv) Muni Bus Storage and Maintenance Facility at Potrero Yard. The Muni
18 Bus Storage and Maintenance Facility at Potrero Yard refers to the “modified project”
19 described in the Memorandum to File for the Potrero Yard Modernization Project (2500
20 Mariposa Street), Case No. 2019-021884ENV, dated October 25, 2024 (the “Memorandum to
21 File”), a copy of which is on file with the Clerk of the Board of Supervisors in File No.
22 _____, and hereby incorporated by reference. The Muni Bus Storage and
23 Maintenance Facility at Potrero Yard project is a portion of the Potrero Yard Modernization
24 Project that was described and analyzed in the Final Environmental Impact Report for the
25 Potrero Yard Modernization Project (“FEIR”) that the San Francisco Planning Commission

1 certified as adequate, accurate, and complete on January 11, 2024, by Motion No. 21482, a
2 copy of which is on file with the Clerk of the Board of Supervisors in File No. 231256 and
3 incorporated by reference, pursuant to CEQA, the CEQA Guidelines, and Chapter 31 of the
4 San Francisco Administrative Code. On January 11, 2024, by Motion No. 21483, a copy of
5 which is on file with the Clerk of the Board of Supervisors in File No. 240047 and incorporated
6 by reference, the Planning Commission, based on substantial evidence in the entire recording
7 of proceedings, made certain findings regarding the environmental impacts of the Potrero
8 Yard Modernization Project that was analyzed in the FEIR, rejected alternatives as infeasible,
9 adopted the proposed mitigation monitoring and reporting program ("MMRP"), on file with the
10 Board in File No. 240047 and incorporated by reference, and set forth a "Statement of
11 Overriding Considerations" explaining why the benefits of the Project outweigh the
12 unavoidable adverse environmental effects identified in the FEIR and that those adverse
13 environmental effects are therefore acceptable.

14 On March 12, 2024, by Ordinance No. 57-24 passed by the Board of Supervisors on
15 March 12, 2024, and signed by the Mayor on March 22, 2024, a copy of which is on file with
16 the Clerk of the Board of Supervisors in File No. 240047 and incorporated by reference, the
17 Board of Supervisors, having reviewed the FEIR, concurred with the Planning Commission's
18 conclusions regarding the FEIR and affirmed the Planning Commission's certification of the
19 FEIR. In addition, in Ordinance No. 57-24, the Board of Supervisors adopted and
20 incorporated by reference the CEQA findings that the Planning Commission adopted in
21 Motion No. 21483 including the Statement of Overriding Considerations and the MMRP. On
22 March 22, 2024, the Mayor approved Ordinance No. 57-24.

23 On October 25, 2024, the Planning Department issued the Memorandum to File, which
24 reviewed proposed modifications to the Potrero Yard Modernization Project including a net
25 increase of 33 buses, altered striping on the second level of the replacement transit facilities,

1 the conversion of 67 of the 60-foot bus parking spaces to 100 40-foot bus parking spaces, and
2 301 additional bus operators, and found that the modified project would not cause new
3 significant impacts or result in a substantial increase in the severity of the impacts identified in
4 the FEIR, and no new or revised mitigation measures would be required. In the Memorandum
5 to File, the Planning Department determined that no additional environmental review is
6 necessary for the reasons set forth in the Memorandum to File and that the Memorandum to
7 File provides sufficient documentation that the modified project does not warrant additional
8 environmental review. The “CEQA Findings” shall refer to the CEQA findings included in the
9 Motion No. 21482, Motion No. 21483, Statement of Overriding Considerations, Ordinance No.
10 57-24, and the Memorandum to File, all as described in this Section 3(iv).

11 (a) The Board has reviewed and considered the FEIR, the MMRP, the
12 Memorandum to File, and the record as a whole and incorporates the CEQA Findings by this
13 reference.

14 (b) The Board finds that the FEIR is adequate for its use as the
15 decision-making body for approval of this ordinance.

16 (c) The Board hereby adopts as its own the preceding CEQA Findings
17 including the Statement of Overriding Considerations.

18 (d) The Board further finds that since the FEIR was finalized, there
19 have been no substantial project changes and no substantial changes in project
20 circumstances that would require major revisions to the FEIR due to the involvement of new
21 significant environmental effects or an increase in the severity of previously identified
22 significant impacts, and there is no new information of substantial importance that would
23 change the conclusions set forth in the FEIR.

24 (e) In accordance with CEQA, the Board has considered the mitigation
25 measures described in the FEIR and hereby requires that the MMRP be imposed as

1 conditions on the implementation of the Muni Bus Storage and Maintenance Facility at Potrero
2 Yard project approved by the ordinance submitting this bond to the voters.

3 (f) With the implementation of the mitigation measures contained in
4 the MMRP, any potential environmental impacts resulting from the Muni Bus Storage and
5 Maintenance Facility at Potrero Yard project will be less than significant as described in the
6 FEIR.

7 (g) Based on the FEIR, the Memorandum to File, and the record as a
8 whole including all written materials and any oral testimony received by the Board for the
9 Potrero Yard Modernization Project, the Board hereby finds that the FEIR reflects the
10 independent judgment and analysis of the Planning Department and the Board, is adequate
11 and complete, and there is no substantial evidence that the proposed Muni Bus Storage and
12 Maintenance Facility at Potrero Yard project, given the implementation of the mitigation
13 measures as stated in the FEIR and the adoption of the MMRP, could have a significant effect
14 on the environment as shown in the analysis of the FEIR. The Board hereby adopts the FEIR
15 and the MMRP.

16 (v) Public Safety Facilities and Infrastructure. For the reasons set forth in the
17 letter from the Environmental Review Officer of the Planning Department, dated
18 _____, a copy of which is on file with the Clerk of the Board in File No. _____
19 and incorporated by reference, the Board finds that the bond proposal as it relates to funds for
20 Public Safety Facilities and Infrastructure is not subject to CEQA because as the
21 establishment of a government financing mechanism that does not involve any commitment to
22 specific projects to be constructed with the funds, it is not a project as defined by CEQA and
23 the CEQA Guidelines. The use of bond proceeds to finance any project or portion of any
24 project with funds for the Public Safety Facilities and Infrastructure portion of the Bond will be
25 subject to approval of the Board upon completion of planning and any further required

1 environmental review under CEQA for the individual Public Safety Facilities and Infrastructure
2 projects.

3 Section 13. The Board finds and declares that the proposed Bond is (i) in conformity
4 with the priority policies of Section 101.1(b) of the Planning Code, (ii) in accordance with
5 Section 4.105 of the Charter and Section 2A.53(f) of the Administrative Code, and (iii)
6 consistent with the City's General Plan, and adopts the findings of the Planning Department,
7 as set forth in the General Plan Referral Report dated _____, a copy of which is on
8 file with the Clerk of the Board in File No. _____ and incorporates such findings
9 by reference.

10 Section 14. Under Section 53410 of the California Government Code, the bonds shall
11 be for the specific purpose authorized in this ordinance, and the proceeds of such bonds will
12 be applied only for such specific purpose. The City will comply with the requirements of
13 Sections 53410(c) and 53410(d) of the California Government Code.

14 Section 15. The Bonds are subject to, and incorporate by reference, the applicable
15 provisions of Administrative Code Sections 5.30 – 5.36 ("Citizens' General Obligation Bond
16 Oversight Committee"). Under Section 5.31 of the Citizens' General Obligation Bond
17 Oversight Committee, to the extent permitted by law, one-tenth of one percent (0.1%) of the
18 gross proceeds of the Bonds shall be deposited in a fund established by the Controller's
19 Office and appropriated by the Board of Supervisors at the direction of the Citizens' General
20 Obligation Bond Oversight Committee to cover the costs of such committee.

21 Section 16. The time requirements specified in Section 2.34 of the Administrative
22 Code are waived.

23 Section 17. The City hereby declares its official intent to reimburse prior expenditures
24 of the City incurred or expected to be incurred prior to the issuance and sale of any series of
25 the Bonds in connection with the Project. The Board of Supervisors hereby declares the City's

1 intent to reimburse the City with the proceeds of the Bonds for expenditures with respect to
2 the Project ("Expenditures" and each, an "Expenditure") made on and after that date that is no
3 more than 60 days prior to the passage of this Ordinance. The City reasonably expects on the
4 date hereof that it will reimburse the Expenditures with the proceeds of the Bonds.

5 Each Expenditure was and will be either (a) of a type properly chargeable to a capital
6 account under general federal income tax principles (determined in each case as of the date
7 of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item
8 that is not customarily payable from current revenues, or (d) a grant to a party that is not
9 related to or an agent of the City so long as such grant does not impose any obligation or
10 condition (directly or indirectly) to repay any amount to or for the benefit of the City. The
11 maximum aggregate principal amount of the Bonds expected to be issued for the Project is
12 \$535,000,000. The City shall make a reimbursement allocation, which is a written allocation
13 by the City that evidences the City's use of proceeds of the applicable series of Bonds to
14 reimburse an Expenditure, no later than 18 months after the later of the date on which the
15 Expenditure is paid or the related portion of the Project is placed in service or abandoned, but
16 in no event more than three years after the date on which the Expenditure is paid. The City
17 recognizes that exceptions are available for certain "preliminary expenditures," costs of
18 issuance, certain de minimis amounts, expenditures by "small issuers" (based on the year of
19 issuance and not the year of expenditure) and Expenditures for construction projects of at
20 least 5 years.

21 Section 18. The appropriate officers, employees, representatives and agents of the
22 City are hereby authorized and directed to do everything necessary or desirable to accomplish
23 the calling and holding of the Bond Special Election, and to otherwise carry out the provisions
24 of this ordinance.

1 Section 19. Documents referenced in this ordinance are on file with the Clerk of the
2 Board of Supervisors in File No. _____, which is hereby declared to be a part of
3 this ordinance as if set forth fully herein.

4 Section 20. Effective Date. This ordinance shall become effective immediately upon
5 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
6 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
7 of Supervisors overrides the Mayor's veto of the ordinance
8
