**Public Comment**

Public Comment will be taken in-person, either before or during the Committee's consideration of each agenda item. Speakers may address the Committee for up to two minutes. During General Public Comment, members of the public may address the Committee on matters that are within the Committee's jurisdiction but are not on today's agenda.

People who have received an accommodation due to a disability may provide their public comments remotely. Please contact us at [cpp-admin@sfgov.org](mailto:cpp-admin@sfgov.org) to request an accommodation at least one hour before the meeting time. Read more below in the Disability Access section.

In addition to in-person public comment, the Capital Planning Committee will set aside up to 20 minutes for each item for members of the public who wish to appear remotely, taking calls in the order that users add themselves to the queue. Because of the twenty (20) minute time limit, it is possible that not every person in the queue will have an opportunity to participate remotely.

If the Committee experiences technical challenges that interfere with the ability of members of the public to participate remotely, the Committee will attempt to correct the problem but may choose to continue with the hearing provided people attending in-person can observe and offer public comment.
